### Dry casting report 29 November 2015

The December dry casting was held a week earlier because of the fund raising sausage sizzle at Bunnings on the usual date of 6 December.

It seems we are just getting the usual 9 or 10 members along to our dry casting days which is a little disappointing. It makes you feel a little let down taking into account the work that goes into it.

If anyone has any suggestions which could improve the attendance we would like to hear them.

This was our third outing at Mirrabooka and I still haven't heard a bad report, I would even go as far as saying I am enjoying casting at this venue more than Yokine, for example, the wind seems to be more in our favour and secondly we have had very few problems with the public.

Talking about the wind being in our favour, we actually had a tail wind for our distance events, as you will see by the results.

Peter Pekaar 56 gram, 154 metres, artificial bait, 162 metres, 112 gram, 184 metres

In the vets division: George Holman 56 gram 144 metres, Ron Thomas artificial bait, 134 metres, and 112 gram 163 metres.

In the double handed accuracy Ron Thomas 166, Gary Gildersleeves 157

Single handed accuracy. it's good to see this person back casting again, Allan Jones 36, George Holman 34.

There were 5 bullseyes for the day, 2 in the double handed accuracy to me, in the single handed accuracy 1 each to George, Allan and Klaus.

Next drycasting day will be held on 3 January and there will be a 112 gram Open, after the other usual events.

Thanks once again to the helpers, especially Pat who comes down just to work the laser and next month, Pat, we will have a laser that works properly.

Hoping to see a few more faces next month.

Dry casting Officer Ron Thomas

## Dry Casting top scores for 2015/16

Total scores are up to and including December casting but not December General meeting. Competition Rules section 3.8.1 specifies only the best 11 months out of 12 will count at the end of the competition year.

All results will be announced at the Presentation of Trophies in June 2016, and adjusted scores will be published after that.
