### Dry Casting report 2 January 2011

With our numbers down to just 14, probably due to the holiday season and hot weather, we all cast as one group today, which meant we were able to associate with members normally in another division.

With the temperature forecast at 40° C, our DCO, Allan Jones, proposed that the Single Handed Open event be postponed to another date, and this was agreed to by the group.

Thanks must be given to several people this month. Naturally, all those who helped put out the flags and set up the courts at the beginning of the day need recognition. At the end of the day everyone pitched in, too, and we were all packed up and having our lunch by 12.30pm.

Pat McKeown and John Curtis both came down not to cast, but to offer assistance. Pat of course lit the barbecue at the end of casting but he and John did all the scoring for us in the double handed accuracy event. Thank you, gentlemen. We all took turns scoring on the field and behind the laser for the remainder of the events.

Bev Grigo made an appearance, albeit brief. She was on call for her business so was not available to cast with us. We had a visitor, Alan Hale, who came down to check out our activities, having been following our progress via the website. Alan even bought one of the rods which Peter Osborne had for sale as well as some Club sinkers, so he could start dry casting himself.

Mal Head started the year in fine form with 151 points in double handed accuracy. George was the only one to score a bullseye. Hang on a minute, he scored TWO bullseyes!!! Congratulations, George. Peter Osborne did very well. Despite George's bullseyes, Peter still pipped him by one point in single handed accuracy!

Congratulations to Jim Strong for having the straightest centre cast on the day, with his first cast with artificial bait. Ian McGillivray obviously enjoyed his first time at dry casting as he attended again this month. Well done to Peter Osborne for top scoring this month.

Terry Fuller took time out to bring down the bunk beds which we have purchased for the Kalbarri cottage. Pat McKeown and Ray Walker will be taking them up to Kalbarri this week and, unfortunately, will miss out on the night cast at George's.

Sections Winners	Seniors:	Peter Pekaar	215 points
	Veterans:	Peter Osborne	249 points

See you at the February casting, Sunday 6th.

## Dry Casting results, 2 January 2011

These results have been prepared from the original hand written distances and scores recorded on the day. Marcia and Peter Pekaar copied the scores from the score sheets into an electronic format, adjusted the distance scores for the 20 metre measurement setback, and cross checked all final figures against the original score sheets.

Terry Fuller used his computer drycasting scoring program to process the results to calculate the points, add all together, sort into final score order, extract the section winners and year's best as shown on the second page, and progressive scores for use at the end of the competition year.
