Dry casting report 4 January 2015

The first dry casting day for the new year didn't go off with a bang at all, especially for me, as I had a shocker.

The casting was down a little on previous months due to the conditions once again, and the lack of numbers didn't help, with only 16 casters in all.

The Club owns an air conditioned holiday house at Kalbarri which is available for rent to the public and club members at competitive rates. Link is above.

There were 3 bullseyes on the day. Bob Henderson and Allan Jones with 1 each in the double handed accuracy and Terry Fuller with one in the single handed accuracy.

Jeff Hewton had the highest score in the double handed accuracy for the seniors with 114 and Bob Henderson the highest in the veterans with 150 and Gary Gildersleeves not far behind with 142.

The 2 highest section scores for the single handed accuracy were seniors Alan Hale with 23 and Peter Osborne for the veterans with 29.

I had the longest casts in the artificial bait and 112gram distance, so at least something was going right for me.

Many thanks once again to all the helpers on the day. I believe we will be looking for a chef on our next dry casting day as Pat McKeown will have had his visit to hospital by then. We all wish him the best and a speedy recovery.

A 112gram Open distance will be held at the February casting day. I hope to see a few more faces there.

Cheers
