SEPTEMBER	:	JURIEN BAY	JANUARY	:	LUCKY BAY / WAGOE
OCTOBER	:	FLINDERS BAY (LNE)	FEBRUARY	:	WHITE HILLS
NOVEMBER	:	SWAN RIVER	MARCH	:	KALBARRI / WAGOE
DECEMBER	:	OPEN	APRIL	:	ROTTNEST

PRESIDENTS COLUMN:

By the time you read this, the Annual Dinner Dance / Trophy Night would be over. Currently some of us on the committee are busy working on putting this evening together.

This is the first time I have ever been involved in such an activity. I'm sure you realize by now that the background work in getting it together is quite extensive - all the organizing and running around on just even minor details. However some of this I am finding very interesting. With the help of all of you that make donations plus some specific help from certain individuals in collecting and allocating trophies. Our Trophy table last year looked particularly impressive - I trust you find this one just as spectacular, and the rest of the evening just as entertaining.

At No. 2 Carpark mid June weekend Sunday afternoon a few fishing stories were swapped. A few hardy souls braved the beautiful Perth warm weekend for a spot of fishing. Some took the trouble of going out to Rotto - plenty of herring but finding salmon were scarce. Plenty around but not biting. One of our club members managed to get a business (work trip to Rotto - probably not much working done) a couple of weeks ago and he certainly had action with Salmon. Some others went further South, could also find herring but no salmon. Another of our experienced fisherman had a good tussle with a large Ray.

We have another local field day for July. The weigh-in will be at my house on Sunday 1 p.m. 17th July, 1983. Even if you don't fish come around for the weigh-in, see and hear what some of the club fisherman get up too. We hope you bring refreshments and something to throw on the B.B.Q. We should be able to get through quite a few fish stories that afternoon. Hope you come along.

My last plug for this year - Yes we are the best D Club in W.A. so come and get involved in the action of running the club. There will be opportunities to get onto the committee in July. Various positions have varying degrees of responsibility and involvement so come and join in despite some groans and frustrations and hard work the good times and rewards more than make up for this. See you at the July General and Annual General Meeting.

P.T. OSBORNE

BRING A PLATE OF GOODIES TO THE ANNUAL GENERAL MEETING IN JULY 1983.

EDITORIAL:

The June General Meeting was opened by President Peter Osborne who welcomed all Members and Visitors. The usual business was discussed with some concern as to the committee's recommendation dealing with the sponsorship for those Club Members who have been chosen to represent S.C.A.C. and this State in the Australian National Championship being held in Ballina N.S.W. The Members at this June General Meeting voted in favour of the Committee's recommendations with the sponsorship.

This is a first in the club where we have had members attending the National Championship being held in the Eastern States - in fact we have (9) nine in total attending and we wish them all the very best.

If any member is interested in buying any Cray Legs they should contact either Bert Payne or Charlie Gadie. Apparently they visited Kalbarri a few weeks ago and decided to see if they could get a few extra cheap crayfish, so off they both trottered around to where they saw a crayboat coming back from a mornings fishing. Bert being a cunning old "B" suggested that Charles should go and ask for a couple free crays. Of course he was told that all the crays were sold to the cray processing plant, but if they were to present themselves at the plant they would more than likely get themselves some nice craylegs and feelers. Again Charles was selected to do the asking, and watched in awe as the attendant selected the biggest and nicest legs from the huge stack. The attendant filled a 10 litre bucket to the absolute brim. Charlie by this time was licking his lips in anticipation of a huge free feed. To Charles amazement the attendant carried the bucket over to the scales and weighed them then turn and asked Charles for \$18.00. Immediately Charlie called in the chief, Bert and after some discussion Bert moved over to the attendant and told him what to do with his craylegs. Good on you both I would have done the same.

Several of the boys ventured up to Steep Point on the Long Neck End and reported good catches, but had a few difficulties getting there. It appears the rented trailer decided to do some spectacular callisthenics in the dark of night, spreading tinnies, food and "Tony D" fishing gear all along the road way. Fortunately no one was hurt except the trailer.

Unfortunately Dick Stevens lost a good size Maccheral at the gaff, so that elusive game fish badge is still elusive. Bad luck Dick I believe you played it extremely well.

All the boys on the trip are saving up to buy Tony D'Alonzo a medal to pin on his chest, it is believed that the medal is for Bravery, not for withstanding the constant pain of a swollen thumb, but for allowing Alan Stephenson to operate on it. Hopefully some one from the group will give us a report on the trip as it sounds like a good one.

Cont.....

EDITORIAL: Continued....

Finally I would like to thank Tony DeBarro for assisting me by printing the August Reel Talk while I am on Holidays.

B. Leicester.
EDITOR.

P.S. Who ever is elected as Reel Talk Editor can count on my assistance for the first copy or so.

DRYCASTING 5th JUNE, 1983.

Leaving home a little early for my liking, it seemed like it was going to be somewhat wet at Drycasting. It was very overcast and a cold North/West breeze blowing.

Setting up the course it looked like it was going to clear up but my forecast was a bit premature. As the casting got under way a few showers past through dampening everybody's spirits but not the good casting. The Level Line 112 grams were pretty good, quite a few around the 150 Metre mark.

The longest cast 112 grams went to H. H. Hew with 159 Metres, also taking off the longest cast in Artificial Bait with 131 Metres.

Double Hand Accuracy was won by Sid Whiting with 51 Points, it seems like the ABU 7000, is a good choice for accuracy (in experienced hands).

Single Hand Accuracy winner was P. Osborne with 34 Points, not quite the Club record but there's always next month.

Senior Winner of the day was S. Whiting with 137 Points, with Handicap Winner going to yours truly E. Korin with 145 Points.

As from this month the new style sinkers are being used, so I would like to emphasize the safety side of drycasting. Please watch for the markers signals before casting. Seniors casting with the Juniors take it in hand to warn the Juniors of casting to early some are to anxious to cast and not watching the markers, (HELMETS TO BE WORN BY MARKERS).

It was good to see some new members down at the oval, good to see you down. Owen and Brian Wintle hope to see a lot more of us.

To the Squad going over to Ballina I would like to wish them all the luck possible from myself and all the members both in Drycasting and Fishing. Hope you all do well and bring some good news back for us. Good luck and a safe journey.

D.C.O. E.J. KORIN.
