COMMITTEE MEMBERS

Please notify the Treasurer and Reel Talk Editor of any change of address or phone number.

If for any reason you intend to resign from the club, please send a letter of resignation to the Secretary.

CLUB NEWS

The club meeting on the 10th July will be our Annual General Meeting and all members should make every effort to attend.

Nominations for a new committee will be put forward and as several of the present committee will be standing down, we are looking forward to see some new members nominate for these positions. The positions of President, Secretary Field Day Officer and Social Organiser are the main ones which to date we know will be vacant so please give it some thought and nominate for a committee position where you feel you can do the most good.

Social

Please bring a plate of food on the 10th of July at the A.G.M. for supper after the meeting refreshments will be provided by the club.

Knowing Where to Fish

One of the secrets of fishing, is knowing where to fish. A favourite place is at the other end of the beach. If you are at the Southern end of the beach, the best spot to fish is at the Northern end of the beach. From observation, I would say this is a hard and fast rule.

Countless have been the number of Anglers I have passed on the beach walking towards one end of it, while I have been walking in the opposite direction.

The more one travels, it seems, the more there is a chance of getting fish. Distance waters always look greener.

PRESIDENT'S COLUMN

Our Annual Dinner and Dance, held on the 22nd June turned out to be a great success. Thanks must go to the members who made the effort to come along with their friends for a most enjoyable evening. Without an Social Organiser the job of organising the dinner was made more difficult. Your committee put their heads together and got on with the job of organising the event. Many thanks for a great effort, with special thanks to Ron Wintle and Peter Osborne for organising the tickets. A few of the general members also lent a hand which was most gratifying to see. All up we had 93 in attendance.

Sponsors this year both public and club gave generously to the club, this was most helpful for me and thanks to all concerned. Don't forget members, without our sponsors trophies would be hard to come by, so when your in the tackle shops tell them your from Surfcasters and thank them for looking after us each year. Last point on the dinner, life of the party award must go to Malcom Head - enough said, Malcolm sure did enjoy himself and his cardies footy team.

Due to Don Bibby bowing out of the fishing scene and going on in his other chosen fields, was good to see all the money that was made from the fishing auction (Don's gear) go towards the trophy fund for next year. This money will be a big boost for the trophy fund, so next year we will have some excellent trophies. All you have to do as members is fill the fishing, drycasting and open sections to reap the rewards.

From the committee and club members all the best for the future Don, hope you remain friends with us all good luck.

Our July meeting heralds the Annual General Meeting where all committee positions will become vacant. Some committee members will be standing down, now is the time to give serious thoughts about coming into the committee. It is not a difficult job to become a committee member, quite the opposite - very interesting. Think about it - have your say and make our club a better club.

FIELD DAY - PRESTON BEACH

We hope to see a good roll-up of club members at the coming Preston Field Day. The beach is a good spot to fish as there is usually plenty of room and a variety of fish e.g. Herring, Whiting, Bream, Tailor, Mulloway and Always a few Sharks around at night.

No need to own a FWD vehicle as you can drive all the way down there in your conventional vehicle and park within walking distance of the beach. The caravan park at Preston offers good camping facilities and it is recommended that members camp there overnight. The price is about \$2.50 a head and provided at the park are barbecues, hot water, washing facilities plus clean and modern toilets.

The Field Day at Preston provides the opportunity for all members attending to get together at one place and make an enjoyable social event.

THE EDITOR
