## CLUB ETIQUETTE

### MEETINGS

The monthly GENERAL MEETING is usually held on the second Wednesday of each month at 8pm. All members should endeavour to attend the meeting so as to keep up with club matters.

### DRYCASTING

Casting is usually conducted on the first Sunday of each month. Instruction is given to all new members and a competition is conducted to improve and maintain the standard of our members casting.

### FIELD DAYS

These normally follow each general meeting on the ensuing weekend. It is compulsory for anglers to attend both the sign-on and the weigh-in. Anglers who cannot attend the sign-on for work or other unavoidable reasons may make prior arrangements for a late sign-on. However, only under very exceptional circumstances will failure to attend weigh-ins not be penalised with the loss of points acquired during that field day.

It is the Field Day Officer's duty to inform the committee of any anglers who fail to attend the weigh-in. It is the committee's duty to decide what action is to be taken.

Disputes may be taken to the committee.

Entries for Game Fish Badge, Club Records and Open Fishing Competitions must be lodged with the Recorder within 30 days of capture.

### COMMITTEE MEMBERS

Please notify the Treasurer and Reel Talk Editor of any change of address or phone number.

### GENERAL ETIQUETTE

If you intend to resign from the club a letter of resignation should be forwarded to the Secretary. Please assist the Treasurer by paying your subscription with-in 28 days of the Annual General Meeting. Arrears of 3 consecutive months may cause forfeiture of membership.

CLUB ACTIVITIESJUNE GENERAL MEETING

- WHERE - LES HANSMAN COMMUNITY HALL, Walter Road, Morley  
(opposite Coventrys)
- WHEN - WEDNESDAY, 10th June, 8.00 pm.
- INSTRUCTION - Derry Barber has volunteered to give us a talk on  
preparation for outings and fishing rigs.

JUNE FIELD DAY:

- WHERE - KALBARRI - PORT GREGORY (SEE INSIDE)
- WHEN - 30th May to 1st June
- SIGN ON - As for AAA Rock and Beach Championships
- WEIGH IN - 1600Hrs on Sunday At the Kalbarri house. This is a  
separate weigh-in and fish will have to be gilled  
and gutted as is normal practice.
- BOUNDARIES - Boundaries and times to be as for Championships.

FOLLOWING FIELD DAY:

- WHERE - LOCAL (SEE INSIDE)
- WHEN - 12th & 13th July
- SIGN ON - T.B.A.
- WEIGH IN - T.B.A.
- BOUNDARIES - T.B.A. A BBQ will be held if a suitable location  
can be found.

JUNE DRYCASTING DAY

- WHERE - YOKINE RESERVE
- WHEN - SUNDAY 7th June 1992, 8.30 am
- EVENTS - 112 gram Level Line D/H Accuracy  
112 gram Artificial Bait S/H Accuracy
- Make the effort and come along and enjoy a very  
enjoyable morning. Team members are reminded that  
the State Titles are on at the end of the month so  
be present and get in that extra practice.

GENERAL MEETINGS . . .

**WEDNESDAY NIGHTS**

(SECOND WEDNESDAY OF EACH MONTH)

**LES HANSMAN COMMUNITY HALL**

**Walter Road, Morley**

(OPPOSITE COVENTRYS) . . .

EDITORIAL

Quite a reasonable attendance at our last general meeting at our new location, the Les Hansman Community Hall, but my personal opinion is it is not a good venue as the other users of the venue are too noisy and not very considerate and it is a bit "close". The instruction period by Garry Phillips from the 4 Wheel Drive Club was very informative and he certainly knows his stuff. A big thank you to Garry.

The meeting bogged down a bit at the end on the Constitution but because a point or two needed sorting out it was decided to carry it over to the next meeting and present the new alterations for finalisation.

Good to see Bob Frederick's smiling face again at our meetings. Bob had another by-pass operation early in the year and he really looks well again.

It amazes me that a lot more members don't avail themselves of our local fishing if they can't afford the time or money to go on our gazetted club venue for that month. I had to work but made arrangements with Mark Philpott and Ron Thompson to meet at the Floreat Drain at 6am on the Sunday. It was cold but turned out to be a beautiful morning, very relaxing, good company, and a good feed of fish to boot!!! Think about it members!!

Saturday 20th June is our Annual Dinner and Dance to be held at the Coolabah Tavern, 60 Russell Street, Morley. Should be a good night. Look elsewhere in this issue for our Social Organisers write-up and advertisement.

A few members have been away fishing of late so I look forward to a few fishing reports to make this magazine a bit more interesting.

If you are wondering about our cover for the magazine we are currently trying to sort out the new regulations before we go ahead and print them as they are proving to be a bit of a headache! (Australia Post that is).

Cookies leg is on the mend although he won't be running for a while yet. I bet he will be a lot more careful in future.

Mal Head needs a few volunteer workers to help out at the State Drycasting on Sunday 28th June. If you are available please let him know.

See you at the Dinner Dance.

George Holman

## VICE PRESIDENT'S REPORT

Australia has experienced one of the longest recessionary periods on record which has now affected all Australians irrespective of their walks in life.

Economists and forecasters both commercial and political are predicting the upward climb of the Australian economy which has now commenced and expected to take some 18 months to reach fullfilment.

What does this mean to our Club? Have we been affected by the economic downturn over the past 5 years?

Records suggest that membership has consolidated to a group consisting of financial but non(in the main) participating members and a lesser group of regular participating persons which up until recently has been primarily Committee and ex Committee members.

A refreshing change is occurring with a small but active group of new members joining the Club which like the upward movement of the economy is showing new light for the future.

We have taken steps to build a stronger Club commencing with the updating of the Constitution, thus creating flexibility previously unavailable which will through the efforts of future Committee's enable us to grow and build the future of the Club.

A further step has also been taken and as soon as the Constitution has been passed will be offered through a Notice of Motion to the members for approval. This Motion is the updated and comprehensive bylaws of the Club, replacing the previous Book of Etiquette and clearly spells out for the benefit of both members and committee the rules of the Club, embracing Field days, Dry Casting, Sportsperson of the Year, Club Etiquette, Meetings, Line Ratio Badges, Game Fish and Club records, Open Fishing Competition, etc.

When these matters have been resolved the next drive will be on membership which is the lifeline of the Club and must be given maximum priority. We need to increase our membership by up to 30% within the next 24 months which will be the charge of both the Committee AND members of the Club.

We can now see the corner and look forward to working with you to maintain and build a Club to which we will want to be associated with and be proud to be a member of.

DERRY BARBER.  
VICE PRESIDENT.

---

# BOOK NOW FOR CLUB DINNER-DANCE!

## PRESIDENT'S REPORT

As I write this report my mind is on other things as I am busy packing and putting my car back together to go to False Entrance for a weeks fishing.

It's pleasing to see that the alterations to the club's constitution are now nearly complete and I thank all of those people who have helped in regards to these alterations, especially Derry Barber who I know has put in many hours.

For those who didn't attend the Rottneest field day, commiserations. as those who did attend had a ball. There were a wide variety of fish caught with almost all in attendance catching a feed. Where Graham, Malcolm, Michael, his friend Scott, my two boys and I fished, we managed to get amongst some Salmon, with young Scott Reeley landing the largest Salmon for the weekend weighing in at 4.55kg. This is a good fish from any location and when you consider the buffeting he was taking from the swell on the reef it's even more meritorious.

The General Meetings will now be held at the Les Hansman Community Hall, 246 Walter Road, Morley. The times and dates remain the same so I hope to see you all there.

The Annual Dinner Dance is just around the corner, and this will again be held at the Coolabah Tavern in Morley as per last year. I know those who went last year had a very enjoyable evening. We need a minimum of 50 people for this function so give names and numbers to Lee Clifton A.S.A.P.

As I stated at the beginning of this report I am going to False Entrance and on the way home we will be stopping over at State Rock and Beach Championships at Port Gregory. It's disappointing to see the lack of support from our club members for these State Titles, but I know the members who are making the effort will give it their best shot.

Our club field day will be held in conjunction with this competition and members who are attending can use the club house at Kalbarri as their base if required.

John Reeley

## TROPHY DONORS

**FIELD DAY REPORT... APRIL**

CAPE TO CAPE. 11TH - 12TH APRIL

WEATHER. Magnificent!! Fine warm with light winds from the NE - SE, with a late light sea breeze. The visibility was good and the seas calm. High tide was late on Saturday afternoon.

Leigh Nella Ian (Lynne @ Steve friends of the Cliftons) and Don Smidt from Bunbury went down Friday afternoon and booked into Prevally Park. After a great meal of prawns chicken coldmeats sausage rolls plus refreshments the cards came out. Some nameless people didn't go to bed till 230 AM. I am sure that most of the caravan park residents could give you an accurate run down on the games as they could be heard clearly 80 metres away at the ablution block.

Saturday a reconnaissance of the Conto and Slippery area was under taken before heading up to the sign-on at Dunsborough. The rest of the members and visitors where there and eager to head of to their chosen spots. Graham Reeley and Mal Head fished Conto. They had some super keen Scuba divers near them doing some night diving presumably for Rock Lobster. It was rumoured that Tony fished Boranup. Mark Philpot and crew fished the Cowaramup area.

Ian a company fished Slippery on Saturday with Don hooking and loosing a Sampson fish even before the others had their lines in the water. Some large herring and skippy where landed.

Sunday was a 0530 start as we had decided on Whale Back as a likely spot. We headed in using the old track which was very overgrow. Those at the weigh-in can testify to this as my vehicle had a number of bits of branch jammed in various places.

On heading down to Whale Back from the vehicle yours truly was in a bit to much of a hurry and landed awkwardly jumping down of a rock. Result was no more fishing and a very painful and swollen foot and ankle. The Exray has confirmed at fractured Tibia. Those who fished Whale Back landed Salmon Herring Black Drummer and Skippy. Some large Salmon where hooked and lost and Don hooked a fish which headed west for South Africa with the inevitable breakoff.

The weigh-in produced some good bags. The lack of Salmon was a little disappointing as some large fish had been caught as recently as the Friday night. Those who landed Black Drummer where rewarded with some beautiful white meat. It is not common knowledge that these fish are one of the most edible fish that we can catch on the south coast. They are caught along the dropoff on the reef edge. It is only possible to fish these spots on days of no swell and easterly winds.

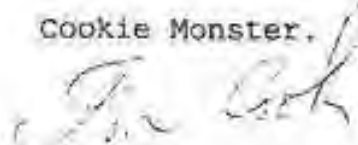

Those who attended the F D had a most enjoyable weekend.

My thanks to all those who attended the 91-92 FDs and also to members that assisted at F Ds when I was absent.

We have some really good venues in the 92-93 year and hope to see more members and visitors participating.

OVERHEARD AT THE BUS STOP:

"How did you lose your job at the dress shop?"

"Well, after trying on about 25 dresses, the customer said to me, 'I think I'd look much nicer in something flowing' - and I suggested the river."

# — ROTTNEST FIELD DAY —

## 15th-16th August. 1992

This is one of our clubs most enjoyable field days and has a history of producing very good fish captures. The species caught are very varied and there is the chance of some large salmon and yellow tailed kingfish. Some of the fairer sex of the club have caught very good bags in the last few years. It is also a great trip for close camaraderie as we fish together and are able to socialise back at the settlement. The anticipation of looking down onto Radar Reef when we arrive at West End never fails to quicken the heart beat on the bus trip out. The heart beat is very quick after the climb back up heart attack hill. If the weather is good it is magical to watch the Dolphins surfing and see the first salmon leaping on the end of your line.

The May FD turned on some great weather and some excellent results with a M/Junior taking out the heaviest scale fish.

The format for this F. D. will be similar to the May F. D. E.T.D. Hillarys 0900 on the Saturday. E.T.A. Hillarys 1700 on the Sunday. Bus times will be advised at the August general meeting.

#### \*\*\*\* NOTE

A firm commitment as to the number of people who will be attending will be required at the July general meeting. Payment will be required at the meeting for the accommodation and bus. There will be no exceptions as the Rottnest Board requires payment by the Friday.

If the numbers are insufficient then the field day will be cancelled. Cost will be in the range of \$38 for accommodation and transport. Ferry cost as at the current rate of \$32 /head return. If there are sufficient numbers a concession rate of \$24 can be arranged.

#### CANS

#### CANS

MAY DRYCASTING

Blustery conditions greeted us for the first cast of the new season.

Good to see Peter Osborne at Drycasting, showing he hasn't lost his touch, casting 140 metres in the 112 gram and 125 metres in the 56 gram events. Also winning the D/H Accuracy and a worthy winner of the day.

Well done Andrew Harding hitting the target in S/H, and showing improvement in his casting.

We have a new Junior, Dirk Fitzsimmons showing good form in his first casting. Watch out Brett!!

The people in the State Drycasting Teams, please come along on the 7th of June for some extra practice. Drycasting commences 9.00 am. Hope to see a good roll-up.

Mal Head

THE WAY WE WERE - MAY 1962

The following extracts are from "Reel Talk" for May 1962.

General Meeting will be held at the National Fitness Council Pavilion, 50 James Street, Perth.

Instruction period for this evening will be presented by Bob Lilly and Bob Tucker on different aspects, in regard to tackle, in relation to different types and methods of angling. Annual Dance and Presentation of Trophies. A sit-down dinner and dance to be held at Hackett Hall, Floreat Park, Saturday 23rd June. Tickets 15/- (\$1.50) Single.

Dry Casting April Only 17 members turned out for the last casting day of the 1961/62 competition. There were seven members who cast 300ft or better. J Bellman cast three beauties of 369, 363 and 356.

The three highest scores in the Double Handed Accuracy were:- N Knight, R Tucker, R Lilly.

The three highest scores in the Single Handed Accuracy were:- R Tucker, W Bridger, N Knight.

A total of 46 members took part in dry casting throughout the year. The largest attendance on any one day was 27, the smallest 16. The average per casting day was 22 members. The winners in each competition were:-

Outright winner	Bob Tucker
Second	Bob Lilly
Third	Noel Knight

Garden Island Field Day - April

Weather conditions: North-East winds, heavy ground swell pounding the beaches. Hot conditions prevailed during the day and many members took the opportunity of having a refreshing dip in the sea to cool off. Twenty-four members, one visitor and seven juniors attended, which was a drop in attendance figures, no doubt caused by the hot sultry weather.

Field Day Award Winners:-

Heaviest Scale Fish. Bob Jensen. 9 1/2lb Salmon. S/H Rod.

Heaviest Bag of Scale Fish. J Griffiths. 25 1/2lb.

Heaviest Shark or Ray. R Shirley. 20 1/2lb. Blue Pointer Shark.

Junior Award:-

Heaviest Bag of Scale Fish. W Newton. 7 1/4lb.

Total Weight of Scale Fish:- 206 3/4lb.

Fallacy of Fish Yarns:

According to American Scientists, the old story about fish being affected by weather conditions is just another fish yarn. They reached the following conclusions after investigating the conditions of the fish in relation to weather variations.

Fish pay no attention to the weather, and how many fish an angler catches has nothing to do with the Barometer - whether it was rising or falling, the catch was about the same.

Experiments were carried out on catching fish on days of different wind velocity, sky cover or cloudiness, showers or steady rain, the results showed that such conditions have nothing to do with either good or bad catches.

1991/92 STATE BEACH & ROCK CHAMPIONSHIPS

Host Club  
NORTHAMPTON ANGLING CLUB

DATE: 30th & 31st May 1992  
 VENUE: Port Gregory - Kalbarri  
 HEADQUARTERS: Port Gregory Hall  
 REGISTRATIONS: 11am to 3pm, Saturday 30th May  
 BRIEFING: Briefing will be by Rules of the Day sheet at registration  
 BOUNDARIES: From mouth of Hutt River north to southern side of Murchison River at Kalbarri  
 OUT OF BOUNDS: Jetty at Port Gregory  
 LINES DOWN: 4pm, Saturday 30th May 1992  
 LINES UP: 11am, Sunday 31st May 1992  
 WEIGH-IN: 12.30pm, Sunday 31st May 1992 at Headquarters  
 FEES: Men & Ladies - \$8.00 Veterans & Juniors - \$5.00  
 TROPHIES: All State Trophies and Replicas awarded in all divisions. Trophies will also be awarded for most outstanding fish in each section - Mens, Ladies, Veterans and Juniors.

A 20cm minimum size will apply to all fish not covered by State minimum sizes.

Bag limit to be equivalent to one days fishing.

Existing State & AAA bag limits will apply. (40 for all species not covered by State limits)

Fishing permitted from any reefs in area as accessible by foot.

Any competitor who presents for weighing more fish than the State bag limits will be disqualified.

All fish must exceed the State legal minimum lengths. Any competitor weighing in undersize fish will be disqualified.

All competitors must be members of an angling club and registered with the Australian Anglers Association State Division.

AAA competition rules will apply.

Please do not leave litter on the beach.

BBO facilities will be available at the Headquarters site for use any time after 1pm on Sunday 31st. Port Gregory has a Caravan Park with the usual facilities. There is a small shop located in the townsite. This is a long weekend therefore an ideal time to experience the good fishing to be had in the area.

FISHERMAN'S PRAYER

God grant that I may live to fish  
 until my dying day  
 And when it comes to my last cast  
 I then most humbly pray,  
 When in the Lord's safe landing net  
 I'm peacefully asleep  
 That in his mercy I be judged  
 As big enough to keep.

Anon.

Courtesy, Dianne Barber.

# CANS WANTED

Bring your aluminium cans along  
 to General Meetings and give  
 them to MALCOLM HEAD. He will  
 change them into cash for the  
 Club Social Fund.
