#### **Dry Casting report 9 June 2013**

The weather forecast for the day looked good with strong tail winds being forecast, creating an enthusiastic mood, with the possibility of improving on personal bests. Unfortunately by the time casting commenced, the wind has swung around and was blowing left to right across court, slightly in our faces. Raincoats and wet weather protection were needed, with a few quick showers early on, which cleared to a reasonable day.

In the veterans Gary Gildersleeves was back to his best form in the double handed accuracy with 166 points, nudging out Allan Jones who would have easily won on any other day, with 159 points.

The Club owns an air conditioned holiday house at Kalbarri which is available for rent to the public and club members at competitive rates. Link is above.

Rob Pekaar scored his first win in the accuracy section in the seniors with 112 points after a close shoot out with his brother Peter Pekaar. George Holman and Allan Jones were the scorers of the two bullseyes in this event.

Bob Henderson had a rough day in his distance casting with break offs and outs, but recovered well to finish off with 27 points in the single handed accuracy, just ahead of Peter Pekaar's 26 points, whose score included the only bullseye of the day for that event.

Alan Hale streaked the field in the 56 gram event with a best cast of 143 metres, with Ken Howells making steadily progress, gaining some extra metres with a changeover to braid.

In the Keet family, Olivia became the queen of mini junior casting, beating her older brother Morgan in double handed accuracy, with 53 points. Morgan gained back some lost ground by winning the single handed accuracy event.

Visitor Klaus Schonwolf joined in with the veterans, showing plenty of potential on his first competition day, especially the double handed accuracy where he scored on every cast.

Thanks to Jeff Hewton, Wilf Core and Alan Hale, who were responsible for putting out and bringing in the flags. Well done to Andy and Pat for putting together another great lunch, with quite a few staying back for a feed.

Thanks also to Alan Hale for taking the time to record some valuable video footage of club members casting.

Peter and Rob Pekaar

## **Dry Casting top scores for 2013/14**

Total scores up to and including June casting and June General meeting. Competition Rules section 3.8.1 specifies only the best 11 months out of 12 will count at the end of the competition year. All results will be announced at the Presentation of Trophies in June 2014, and adjusted scores will be published after that.

| Name          | Points | Rank | Name               | Points | Rank | Name            | Points | Rank |

These scores include points for attendance at the June General Meeting. These results have been prepared from the original hand written distances and scores recorded on the day. Robert and Peter Pekaar copied the scores from the score sheets into an electronic format, adjusted the distance scores for the 20 metre measurement setback, and cross checked all final figures against the original score sheets. Terry Fuller used his computer drycasting scoring program to process the results to calculate the points, add all together, sort into final score order, extract the section winners and year's best, and the progressive scores for use at the end of the competition year.
