

EDITORIAL

This month is a real mess...no committee meeting (Cookie broken foot, Nella in Hospital, Eric away, others can't attend, and some a lot of driving for nothing) so as a result this "Reel Talk" has not got the information it should have. Sorry about that!!

A good general meeting last time and hats off to John Reeley and Malcolm Head for their brief but informative instruction period. We are having a Dinner and Dance and Presentation Night (I hope) on the 20th June at the Coolabah Tavern (I think). No information!!

Mal Head is looking for casters and helpers for the State Drycasting Championships to be held at Yokine Reserve on the 28th June. Please contact him and let him know if you are available. Mark Philpot put forward a good safety suggestion at our last general meeting...carry an empty wine cask liner in your pocket when you are fishing. If you are unfortunate enough to be washed in all you have to do is blow it up and you have something buoyant to hold on to.

Derry Barber has gone to a lot of trouble with the revision of our Constitution so take the trouble to look through it thoroughly before voting.

Let's see a lot more participation by a lot more so there's less work for the few!!

LOCAL FIELD DAYS

Phone Ian Cook on 401 9461 before 9 pm on the Friday night.
A set of scales will be on the Patio at the Holman Residence, 89 Clontarf Street, Sorrento, so you may weigh your fish on or before the weigh-in time. Have a witness to your weigh-in and phone the information through to Ian by 9 pm on the Sunday night.
Ian has made this as open and simple as possible for all concerned so I see no excuse for those unable to go away, not to fish local for at least an hour or two and at least be involved.
Hats off to Ian for his co-operation and thoughts....let's do something about it and reward him with your involvement.

APRIL DRYCASTING

A very strong Easterly wind kept the scores very low, only George managed 129 metres which is a low score considering the top casters are usually around 140 - 150 metres.

That was the last cast for the 1991-92 season. Hope to see a lot more making the effort worthwhile for the new Drycasting Officer. The State Drycasting Championships are coming up on 28th June 1992. Come along and get some practice in. We will be looking to put in four teams.

Many thanks for the many helpers that have come along early to help me set up the lanes over the past seasons.

Well done Jim Strong who took out the Double Handed Accuracy by just 1 point from George and Graham. Also well done George who won the Single Handed Open, casting 79 Metres.
