### Dry Casting report 6 May 2012

We had 21 casters and five visitors. One visitor cast in the competition, Francis Ford, who did quite well. Marcia Pekaar and Jane Keet did not cast but helped with the marking and scoring. Marcia collected the money and made up the list of casting order.

We had southwest to westerly winds, moderate to strong, cloudy and overcast with some rain. On the day the seniors, ladies and juniors cast accuracy first then distance while the veterans cast distance first then accuracy.

Thank you to Gary Gildersleeves for putting out the warning flags and banners and to Dean Stewart for bringing these in. A big thanks to everyone who helped put the casting courts out and bring them in and put them all away.

Bullseyes: George Holman one in single handed accuracy, Allan Jones one in single handed accuracy.

Best distance casts for May	Seniors	Peter Pekaar	173 metres	112 grams
	Veterans	George Holman	166 metres	112 grams
	Ladies	Bev Grigo	91 metres	112 grams
	Juniors	Felicity Keet	84 metres	56 grams
	Mini Juniors	Morgan Keet	103 metres	112 grams

The June casting day will be on the second weekend, Sunday 10 June. Casting order is seniors, ladies and juniors distance first then accuracy, and veterans will cast accuracy first then distance.

A single handed Open, (maximum 56 gram) will be held after the normal events.

Keep it long and straight. See you at the next dry casting.

Dry Casting Officer Allan Jones

### Seniors, Ladies, Juniors and Mini-Juniors

Let's begin with a big congratulations to Morgan Keet who threw his first 100 metre cast (102.55 metres) today which not only gives him an extra point but a wonderful 112 gram personal best. Welcome to the 100 metre club, Morgan. One other event, albeit less noteworthy, was Morgan's extremely central cast in artificial bait, and his 98.04 metre personal best in the 56 gram event.

Jeff Hewton cast well, winning the Seniors' double handed accuracy with 127 points, sharing the honours with Morgan Keet with his central cast in artificial bait. Andrew Pekaar won the Seniors' single handed accuracy with 23 points.

Jane Keet is to be thanked for her offer of scoring in the accuracy events as well as scribing for Marcia, who operated the laser.

We welcomed young Owen Williams back to casting today, after a lengthy break. He assured us that he hadn't lost any of his talent and as you can see from his score, his accuracy when casting in the distance events meant all his casts were in court.

Olivia Keet had a couple of casts land out of court. However, her cast of 67.3 metres was fabulous for a girl of such slight stature. Well done, Olivia. This is surely a personal best.

Francis Ford joined us as a visitor and put down some good casts, but had a break-off in one of his 56 gram casts. In time, with a bit more practice, Francis's accuracy events will definitely improve and we look forward to watching his progress.

Felicity Keet cast well with all of her distance casts in court and only a couple of misses in the accuracy events. Her smooth casting style will serve her well in future competitions.

Unfortunately, there were no bullseyes scored in our group but certainly a few near misses.

Peter and Marcia Pekaar

## Dry Casting results, 6 May 2012

These results have been prepared from the original hand written distances and scores recorded on the day. Marcia and Peter Pekaar copied the scores from the score sheets into an electronic format, adjusted the distance scores for the 20 metre measurement setback, and cross checked all final figures against the original score sheets. Terry Fuller used his computer drycasting scoring program to process the results to calculate the points, add all together, sort into final score order, extract the section winners and year's best as shown on the second page, and progressive scores for use at the end of the competition year.
