PRESIDENT'S COLUMN

Welcome back to Ken and Gwen Jones, they have just returned from 4 months in Europe enjoying the sights and may be a little fishing. Hope to see you on some of the club outings Ken.

John Lee's wife Jenny has just spent a couple of days in hospital and is on the road to recovery. Just got out in time for her birthday and 1st. wedding anniversary - congratulations from the committee and members.

Also spending time in hospital is John Reeley, John was knocked down by a car whilst jogging, but luckily there was no broken bones and I am pleased to report John is on the mend and will be out of hospital very soon.

On the brighter side, whilst attending the weigh in for the September open field day, it was good to see a good attendance of about 23 members, as President this was great. I would like as many members as possible to attend the open field day for October. But if you the members are going to change the field days as has been done with the October field day how are we going to get good attendances at field days? These field days are planned for the season so members can make arrangements to attend - please don't chop and change.

I would like to thank Brian Leicester once again for the work that he done at the Kalbarri house whilst on holidays. Brian is a great worker for the club. By the time members read this column Brian will be a grandfather - congratulations Brian.

Don't forget, members who have A.A.A. raffle tickets out - they must be in by the October general meeting.

Last of all don't forget to bring your slides or movies for the October general meeting instruction period.

Good Fishing  
ERIC PARKER

A.A.A. OF W.A. REPORT

There were twenty-eight delegates and two visitors present at the August Meeting of the above association and this meeting was also the Annual General Meeting. It was held at the Marmian Angling and Aquatic Club on the 20th instant under the chairmanship of President Paul Foster.

In correspondence letters were received from Victoria, New South Wales and South Australia in answer to a letter from this State regarding our State's 50 bag limit for competitions and asking that their mid-term decision be reversed so that the limit could apply for Bunbury '85. They were all not in favour of any limits whatsoever pointing out that the National Body made the rules for Australian Conventions and that W.A. was only the last State.

Club subscriptions and lists of membership are now due to the association along with lists of Presidents, Secretaries and Delegates.

The fishing clinic run for the association by Laurie Birchall and Jim Strong (and helpers) was highly successful and a profit of approximately \$3,500 was made. Laurie will be giving a report at the next delegates meeting as he was in the North of the State for this meeting.

The State Presentation night for the 'Sportsman of the Year' will be held at the Merlin Hotel on Thursday 22nd November '84.

The editor from the W.A.A.M. magazine requests copy for the next edition be forwarded to him as soon as possible.

The Presentation of 'Sportsman of the Year' and 'Junior Sportsman of the Year' nominees for angling will be presented at the State Badge night for successful State Team members to be held at Mr. Namajera's residence on Friday 7th December, 1984.

John Butler needs a collator to organise and supervise a group of people to calculate, collate and record results of competitions for Bunbury '85.

He also needs people to organise weighings, etc., to come forward with their names.

Ray Thorpe (Fremantle Club) is going to organise the "Mandurah 500" Competition to be held in the Mandurah area on Saturday and Sunday 19-20 January, 1985. Helpers would be appreciated.

A September meeting of the above association was held at the Union Angling & Aquatic Club's premises on the 18th instant with an approximate 24 delegates in attendance. Our representative was George Holman.

Laurie Birchall gave a comprehensive report on the recent Angling Clinic held at Leederville Town Hall confirming its success and mentioned his appreciation of the work done by all his helpers, as well as the numerous lectures.

The winners of the "Sportsman of the Year" and "Junior Sportsman of the Year" nominations were Rose Harper of Bunbury Club (senior) and Darren Batchelor of Melville Amateur Angling Club (junior). Congratulations to them both.

The proposed Sorrento Marina was discussed and the association has decided to support the construction of the facility. Use of the media was proposed whenever and wherever possible.

Our club tabled a motion to set a three list draw for the ladies and juniors accuracy events in State Drycasting which will be voted on in due course.

State Drycasting organiser George Holman gave a report on the recent State Teams Drycasting. This appears elsewhere in this issue of "Reel Talk".

Ten drycasting records were passed most of which the surf casters submitted. I wasn't able to get a list.

A delegate reported on car traps being laid on the tracks north of Two Rocks Marina. Steel spikes embedded in cement blocks buried in the sand on the tracks are the device used so be careful if you are going to fish the area.

The A.A.A. of W.A. presentation night will be held on Friday night, 7th December at Mr. E. Ameduri's residence 53 Hamilton Street, Bayswater (Phone 2710167). Any club member may attend. It will take the form of a barbecue commencing at 7.00pm and will be followed by the more formal part. Presentation of major awards and announcing of State Teams for "Bunbury '85" along with handing out of State Pockets, will be done as well as each team selecting their respective captain.

The editor again made a request for suitable articles from the clubs for the next issue of W.A.A.M. before the end of October.

GEORGE HOLMAN

SEPTEMBER 1984 - DRYCASTING REPORT

Another good day, with strong tailwinds, and practically no rain.

The attendance was really encouraging, despite the threatening skies first thing in the morning. A glance down the list will reveal a few "old" names, and it will be great to see these guys becoming regular casters again.

We also saw some new-comers having a go - a warm welcome to Malcolm Head and son Michael. They enjoyed themselves, as would a few of you, other new members who haven't had a go yet, so please, come along next cast - all you need to start with is a standard fishing rod and reel, and a bit of enthusiasm. And with some of Australia's best casters available to help and advise you, you'll soon learn.

Some very interesting things happened this time around. For example:-

I broke off!

Heath beat his old man.

Steve Brown got all 4 level line casts away!

Denis Gilbert came third.

Bob Francis turned up!

Heath stole the honours in both accuracy events.

Hewy scord 166 metres in 56g L.L. (or was it Henry?)

Heather Osborne got 129.5 metres in 56g L.L. (Junior Club record, and possible State record?)

Don't forget, we have a single-handed open distance event next cast.

1984 W.A. STATE TEAMS DRYCASTING CHAMPIONSHIPS

The above State Championships were held at Yokine Reserve on Sunday 26th August with Northern Districts Club conducting the event.

There were six Open Teams, 3 ladies teams, 4 junior teams and 3 mini-junior teams competing and individual scores also counted for the fourth of the six State Teams selection trials.

The wind was a slight head wind to start with reverting later in the day to a slight tail wind. Weather conditions were good.

Competition was keen with good distances being cast as well as some excellent accuracy teams.

Young David Korin from surfcasters set a junior accuracy record on the day with a score of 127.

Gary Gildersleeve from Northern Districts scored 146 in the Open accuracy and Sid Whiting from surfcasters cast 133 metres in the 56 gram event and Hew from Northern Districts cast 138-3 in the artificial bait event.

Team results were as follows:-

OPEN

Surfcasters	1483-3	Fremantle	993-5
Northern Districts	1434-2	W.A. Anglers	966-2
Melville	1274-1	Bunbury	940-7

LADIES

Bunbury	791-9	Surfcasters	733-0
Melville	525-6

MINI-JUNIORS

Northern Districts	667-6	Surfcasters	651-1
Melville	313-2		

(Contd/.....2.)

Quite a good roll up, but we would certainly like to see more teams participating. Good to see the W.A. Anglers Club competing for the first time.

Thanks must go to Northern Districts Club for the efficient way they ran the day and a special thanks to Nella Clifton and the girls for once again running a kiosk. Also to all the workers for their efforts.
