## Dry casting report 11 October 2015

Our first day at Mirrabooka oval saw a slightly better roll up than September with 11 members casting, along with Pat McKeown volunteering to help for the day. Thanks Pat.

The oval itself has ample space for what we require with maybe a few minor adjustments at the next setup. We had a few incidents where we had to ask people to move, without too much of a hassle.

The Club owns an air conditioned holiday house at Kalbarri which is available for rent to the public and club members at competitive rates. Link is above.

The only real problem we had was an idiot riding his trail bike across the centre of the oval while we were casting.

There are two important messages I must get through to everybody on casting days.

- No. 1 If there are any problems or decisions to be made please confirm with the dry casting officer or in his absence the assistant.
- No. 2 In future can you please be ready to cast when it is your turn. This is a major problem, especially if it is a hot day. You can have 2 people standing out in the sun sometimes waiting up to 5 minutes for someone to cast. This is just not on.

Top casts for the day were -

Men's division. Peter Pekaar 56 gram got a good one away at 149 metres and had the longest artificial bait at 130 metres. The 112 gram was close between Peter and Robert with Robert winning the event with 170 metres and Peter 164 metres. Peter Pekaar won the double handed accuracy and Mark Hanson took off the single handed accuracy.

Veterans division. George had the longest 56 gram with 127 metres. I had the best artificial bait at 127 metres along with the 112 gram at 150 metres. Klaus continues to cast well with 136 metres and 139 metres in the 112 gram.

George took off the double handed accuracy with 151 and the single handed accuracy went to me with 29.

Terry Fuller had the only bullseye which was in the double handed accuracy. Peter Osborne started off the double handed accuracy with 78 in the first 4 casts but.....

Thanks to all the helpers. Hope to see a few more faces next month.

See you at next casting.
