Stan Renshaw
Brian & Fran Leicester
Hew & Hilary Hew
Gus Sussmayer
W. Utting
Darryl & Marie Retallack
The Freind Family

PRESIDENT'S ANNUAL REPORT:

Well members another year has passed and the Club has faced many important issues, but, as always, have come-up trumps. The 1978-79 year has seen a major first for our newly introduced lady members, as they witnessed their first representative elected to committee, namely, Mary Parnell.

The 1978-79 election of officers was exceptional to the extent that many applications were excepted to all vacant positions. To all those members who were unsuccessful in their bid to serve on committee please do not hesitate to re-apply this coming July. Remember it's the new blood needed in these positions which keeps such committee's stocked with new ideas, thoughts and the enthusiasm to do better than their predecessors.

To the present committee members, I take this opportunity of thanking them one and all for a job well done, for it was their loyalty to the club that made them a truly working body.

MEMBERSHIP:

The membership members of this club has remained positive even though there were 16 reductions in the senior male members. Our overall total membership still remains, as it did in 1977-78 year, on 138, made up of the following:

Life Members	8
Senior Male	91
Senior Female	16
Junior Male	15
Junior Female	8
Total Membership	138

Achievements throughout the 1978-79 year were numerous:

(a) OFF ROAD BILL

Although this Bill was well set-up by a previous sub-committee, it was during this year that the bill was finally cleaned-up and passed allowing all 4-wheel drive vehicles access to beaches and tracks leading to them. The sub-committee are to be congratulated for their sterling efforts assisting the A.A.A. delegates to achieve the desired result.

(b) UPDATING ETIQUETTE & RULES

A complete re-arrangement of the Etiquette and Rules book became extremely important when it was found that any new member receiving a copy found they could not follow them as they were incomplete. While this became a matter for a sub-committee to update these matters, it was Keith Wilkerson who worked religiously to achieve an excellent result. Thanks Keith for a job well done.

(c) LOAN

The club has extended its present loan to build a new roof on the Kalbarri House, the work will be handled by our members, led by Ken Jones who has given a good deal of time in drawing up plans and specifications and attaining a building permit. Thanks Ken for your time and effort.

PRESIDENT'S ANNUAL REPORT CONT'D:(d) KALBARRI HOUSE

Our Property Officer, George Holman, worked diligently to promote our house to prospective clients, so much in fact, the house was completely booked out from November 1978 to March 1979 bringing in quite an amount of revenue from rent. New bedding was installed throughout the house, which makes the house a nicer prospect to continuing clients. A new front porch was built including a front fly wire door, a necessity in any holiday resort. The Club thanks all those members who assisted in any work carried out on the Kalbarri House.

CASTING CLINIC:

Once again this club has successfully run a casting clinic assisting the general public on Fishing Rods, Reels and general fishing gear.

CASTING COMPETITIONS:

The Surfcasting and Angling Club successfully competed in the State Drycasting Championship Teams event and were outright winners, showing all other clubs we are a top dry casting club.

Two S.C.A.C. teams lined up to contest the South West Dry Casting Championship held at Bunbury and were successful with the top team winning, and having the top caster of the day, namely George Holman. Congratulations George.

B. LEICESTER
PRESIDENT

.....

CORRECTION:

A line was left out on Page 15, June 1979.
The last paragraph should read:

How about:- Arripis Trutta?

Australian Salmon... that isn't related to the Canadian Salmon but is a relative of the above herring (that isn't really a herring anyway!)

JUNE GENERAL MEETING:New Members:

Ray Belgard and Susanne Lundy received their badges, Rules & Etiquettes.

Application for Membership:

Burke Ashley Flynn, (Junior; 22.4.74), 7 Glover Place, Dianella, 6062.

Treasurer:

The General Fund stands at \$735.45 and the Building Fund at \$709.31.

The mortgage is \$2600. Debentures stand at \$360.00. A loan is approved for additions to Kalbarri House.

Dry Casting:

A team is selected to represent our club in the coming event on August 26th.

The team consists of G. Holman, D. Green, G. Gildersleeve, B. Leicester,

S. Renshaw, H. Hew, D. Latto, P. Conroy, T. Richardson and R. Kildahl.

Four our club castings, a maximum of 6 casters are invited alternatively from different clubs.

Social:

To our General Meeting (election night and social afterwards), please bring along a plate. Drinks are provided.

Property:

Kalbarri house will be advertised again. The bookings are lighter now.

This is the right time for club members to book for a fishing holiday.

A.A.A.:

The Australian Championships will be held again in W.A. in the next few years.

The cost will be around \$40,000. This means some money raising. Our request

to enter 2 teams was defeated. One team only from a club is accepted.

General:

The motion to accept Juniors 16 years and under was passed.

Helpers are needed for the Fishing Championships at Geraldton. If you can help, please see Peter Conroy (Greenough, October 6/7/8, L.S.E.).

The alteration to Kalbarri house will be carried out and a loan will be taken out from the bank. The repayment of the loan will stay the same but the length of time of repayment will be extended.

For "tee" shirts, please see Ken Jones, but hurry, as more than ever are sold now. The fashion is catching on.

Fishing reports:

One from Steep Point, describing the successful trip in regard to fish, interesting countryside and good fellowship. This is a place where one has to be self sufficient.

From Quobba almost the same was reported except there appeared to be more fish lost to sharks. A group of young fishermen lost a L.W.B. Landrover at sea. They got it back 3 days later at great expense. The feeling was that the loss and expense could have been prevented if the owner of a Daihatsu would have done the right thing. These people were not members of our Club. Could this have happened in our Club?

.....

A.A.A. REPORT: MEETING WAS HELD ON 20.6.79:

State Open Drycasting event will be 25.11.79.

It was moved by G. Holman that a special meeting be called for to discuss and finalise the revised A.A.A. Constitution. This is a Notice of Motion for Clubs to meet in 2 months.

Discussion on Registration fee or levy was raised again. A.A.A. to advise clubs by letter stating reasons for the fee being needed.

P. Conroy

ANNUAL PRESENTATION NIGHT, DINNER & DANCE:

Thanks to our Social Organiser, Mary Parnell, and her helpers, this night was highly successful. It also demonstrates what helping together and good club spirit can do.

The evening opened with orange laced with champagne and with sherries. During this time most of us looked at the presented trophies and what a lot they were.

Then the dinner. It was very good, plenty of it and no complaints, whatsoever.

The ceremonies and business associated with the presentations went smoothly, reason for this was the masterly guidance of the M.C., Keith Wilkerson.

The music was there, unobtrusive, but always there when wanted. No complaints either.

Only the ones which missed out on prizes wished they had done better and many will have the desire to do better next year, considering all the nice prizes.

Many however, received prizes, but the main prize went again to George Holman.

.....

JUNE DRYCASTING REPORT:

Attendance this month was down slightly on previous casts and one group, including yours truly, was very heavy eyed having returned in the early A.M. of Sunday from a very enjoyable fishing trip up North.

Once again the weather and conditions were kind to us and quite reasonable scores were recorded. All honours of the day go to our fairly new Junior member, Clayton Freind. He showed all of us his ability with a magnificent grand total of 116 points, to be top scorer for the day. Congratulations Clayton, very good casting. I did a quick check through our records and could not find any cast where a Junior won the day, so I would say that you have become the first to accomplish that Clayton.

Hewie was top scorer in L/L distance with 42 points, with George Holman and Rick Parker equal second with 41, and Gary Gildersleeve third with 37.

The D/H accuracy was a pushover for Clayton Freind with 55 points. Dave Letto was second with 43 and George Holman third with 39.

The S/H accuracy saw Killer back in form, to run out winner with 32 points followed by Dave Letto with 27 and Dennis Green with 24. Killer and Dennis tied in D/H accuracy but Ron was too good in the S/H event, so I know where the 20 c. went this month.

Dave Letto and George Holman were neck and neck with their first cast in the S/H open so George went for broke with his next cast, and that's just what he did- broke off- and Dave ran out winner with a 96 metre cast.

Welcome once again to Grant Medbury, our visitor for the day, who improved from a total of 37 points for his first visit to 61 points for this cast- nearly eighty per cent Grant. Keep that average up and you're top scorer next visit.

Hewie might have been too tired to follow the flight of the sinker in the D/H accuracy (well, that was his excuse) but mustered enough energy to cast a 145m., to record longest cast for the day. And that hard man to beat, George Holman, was senior winner with 112 points. Congratulations to you both and to all other section winners.

Special thanks to Ron Kildahl and Mrs. Tomsitt for their assistance. Thanks as always to our many other helpers.

See you all next cast- 1ST JULY- usual events plus- Get this!
Open L/L with artificial bait. Till then, cheerio.

Keith & Brian
