### **Bring a friend to a Club activity**

Please bring a friend, a relative, a workmate, neighbour or an acquaintance to a General meeting, to Dry Casting or to a Club fishing Field day.

Let them know what the Club does, and let them find out for themselves some of the benefits of being a club member, particularly getting all those fishing and casting tips from experienced club members.

Show them your copy of Reel Talk and let them know there is a lot more about the club on the Club website <http://www.surfcasters.iinet.net.au/>

Reel Talk Editor, Terry Fuller

### **Donations for Presentation night**

Please consider making donations towards our Presentation night and prizes for winners of our fishing and dry casting competitions.

Please contact Social Organiser Pat McKeown or President George Holman if you can help.

Social Organiser/Membership Coordinator Pat McKeown

## **President's report for April**

Each month as President, I write a report about the club and what is going on and what is planned. I cannot recall an occasion since November 2012 when I have been able to write an enjoyable and positive report, because there are people who will not let that happen.

Club members have asked me why our Club has been under the hammer, mainly through the backwash of the Australian Anglers Association. I have pointed out to them that up until September last year there were three of the four executives of the Association at our club meetings and around half the delegates because of dual membership, and the question lies where are the real interests and what is their program?.

It certainly has not been supportive of the Surfcasters, as our delegates have come under serious fire. Terry Fuller has had to put up with issues which are not reward for the effort he has put in because of the decision you all made at our last Annual General Meeting. You made a statement by refusing to elect some people to the Club's Committee, but this has continued where the club has been under fire from the Association and individuals which is not warranted and it is clear where it is coming from.

Your Committee has been striving to deal with the issues and lessen the burden of the club members having to be involved, but their reward is that because they are endeavouring to deal with the problems and abide by our current Constitution we now have a member who was disciplined threatening to sue them.

You as Club members need to make a statement as to whether you support the Committee you elected or cater for the people who continue to challenge your Club, its members and its Committee. If this sort of action continues who would put up their hand to be a Committee person and what sort of club would we end up with? This would have a chain reaction through other clubs and where would it all end?

If we have members who support this type of program and also continue to target Club personnel they should have a serious look at themselves.

I point out as President we have a very qualified Committee with the common sense we ask for and you the members must support them one hundred percent. I would rather see the dissenters go away than lose one of our current Committee. They are very capable and are doing a great job in an honorary capacity for the benefit of all Surfcasters.

The pressures being applied may see some of them doing less for the Club instead of putting in their heart and soul. Our Club has been going for nearly 63 years and this is due to the quality of the people like those who are your current Committee.

Someone said to me (and it is a lot more than one) that the last two General meetings were a pleasure to be at and very enjoyable – there were no agitators present!

Enough on that subject but it is serious and we need to start to make some statements in the positive as a Club.

I had the pleasure at our last General meeting finally giving Peter Butland his membership badge even though he has been around for a while. He went over to South Australia for a while and that is my excuse.

I also welcomed Michael Inglis on your behalf and I hope they both enjoy what our Club has to offer.

We also had another new applicant in Lee Yongli present and he took the trouble to join a number of club members who fished locally at our April Field day.

To see six club members fish locally at Floreat was great and even though the fish were scarce the company was excellent. They were Reuben Ball, Michael Pisano, Lee Yongli, Pat McKeown, Dean Stewart and yours truly. There was a strong southerly wind, rain squalls and ribbon weed in the water which made it hard. Apparently on Sunday the weather was good and the salmon were present.

Mark Nurse contacted me and asked if he could come to our last Committee meeting and even though there were a lot of items on the agenda I hope he enjoyed the experience. From my point of view it is good to see new members interested enough to do so. Welcome.

Peet Wessels did the home work with the Rottneest Island Board on the cost of the bus transport for the group going to Rottneest for the May Field day. It was decided it was a goer even though the cost was around \$740. It is good to see club members helping out.

Another member who has put his hand up is Gary Gildersleeves who has offered to help out with our club casting days while Ron Thomas has his holiday. Please show your appreciation by supporting Gary with your attendance and help.

Pat McKeown is now in need of your support as our Presentation night is set for Saturday 20 June at Woodvale Tavern. This has always been a great night and you are able to bring your friends along as well. The price should be the same as last year but has yet to be finalised. We need the return of the club perpetual trophies as soon as possible to either Pat, Terry Fuller or me George Holman so that engraving etc may be done.

Anyone who wishes to donate a prize for the night is welcome to do so. Make sure you keep your program free so you can come along to our Club Presentation night.

Geoff and Rhonda Raftis are planning another caravan trip over East starting in August and we wish them well.

The trip Kaye and I did to Hopetoun and Esperance for a bit over three weeks in our caravan was very enjoyable. There has been a lot of work done in Esperance particularly along the foreshore which is a credit to them. This is a location that is worthy of consideration for the Club to look at.

The reports are that the salmon are currently on our local beaches so you should go fishing with your mates locally.

Let us hope we can get our club functioning as we want it so we can enjoy each other's company.

President 2014/15, George Holman

## **Minutes of General Meeting 8 April 2015**

**Venue** Coolbinia West Perth Amateur Football and Sporting Club room.  
Commenced 7:30pm. President George Holman presiding.

**Present** George Belin, Peter Butland, Terry Fuller, Gary Gildersleeves, George Holman, Ken Howells, Michael Inglis, David Maxted, Pat McKeown, Mark Nurse, Peter Osborne, Eric Parker, Gary Parkinson, Victor Schilo, Dean Stewart, Ron Thomas, Andy Thorgersen, Peet Wessels, Sandra Wessels, Shane Wignell, Glen Wong, Lee Yongli, total 22 members.

**New members** Peter Butland and Michael Inglis were presented with their membership packs.

**Minutes of previous meeting** **Moved** Ken Howells seconded Peet Wessels the minutes of the previous meeting as published in Reel Talk are a true record, carried.

**Previous Committee meeting** Action points from the minutes of the previous Committee meeting were reviewed.

<b><u>Correspondence in</u></b>	AAAWA AAAWA Dept of Fisheries City of Stirling	Minutes of March 2015 Delegates' meeting Support for artificial reefs system Brochures on changes to herring bag limits Confirmation of bookings for Yokine Reserve May to September 2015
<b><u>Correspondence out</u></b>	City of Stirling	Club details for Community directory

**Business arising from correspondence** The printed version of the Statewide Recreational fishing guide received recently, dated 14 March 2015, has misleading information on page 20 under Nearshore/Estuarine where it says that herring are counted in the bag limit of 16. The electronic version dated 15 March on the Fisheries website has corrected this.

**Moved** Shane Wignell seconded Peter Osborne that correspondence be accepted, carried.

**Secretary's report** Nothing to report

**Treasurer's report.** Victor Schilo reported.

Moved Victor Schilo, seconded Peet Wessels the Treasurer's report be accepted and accounts be passed for payment, carried.

**Property Officer** The cover for the barbecue has been reinforced and sent to Kalbarri with the last tenant. Greg Keet donated a set of steak knives. These have been engraved and taken to Kalbarri.

**Field Days** Peter Osborne gave some certificates for fish caught recent field days.

The April field day is Cape to Cape but school holidays are on and accommodation is almost impossible to find. Members discussed and voted on a proposal to extend the local field day for April to Preston Beach to give somewhere for members to camp near their 4 wheel drives. The motion was lost by 1 vote.

Costs for the bus transport for the Rottnest Field day in May had increased a lot. Peet Wessels will contact the company and attempt to get the costs down to a more reasonable amount. The venue may be changed if costs are too high. Peet will report by the Committee meeting. (Booking and venue confirmed 13 April)

Peter Osborne gave a brief report on the AAA National convention at Wallaroo in March.

**Dry Casting** Attendance at the 29 March "April" casting day was poor, but it was a good day for casting.

**Social Organiser** Pat McKeown said the next main event is the Presentation night in June. He has contacted the Woodvale Tavern to find out costs.

**Perpetual Trophies.** Holders of Perpetual Trophies awarded at the Presentation night were asked to return these to the Club for engraving for the coming Presentation night.

**AP GM4/15 #1**

**Recorder** Terry Fuller said he has some new entries for the Species competition. Still waiting on applications from Francis Ford who had caught fish eligible for several sections.

**Reel Talk** Terry Fuller said the April Reel Talk did not have all the usual articles because he was not doing as much for the club as he had done in the past and some things just did not get done in time.

**Club website** Website is up to date with content.

**Other reports** George Holman reported on a caravan trip to Esperance.

Sandra and Peet Wessels had taken Sandra's father to Bluff Creek where he had a great time fishing.

**General business** Field day venues 2015/16. The suggested list published in the February Reel Talk was discussed.

It was agreed that the boundaries for Extended Local field days would be discussed and decided at least one month in advance.

It was agreed to change the Bluff Creek field day from the long weekend 5/6/7 March to Easter 26/27/28 March because the fishing has generally been good later in the month.

## **Local Field day for May**

This is the first field day in the 2015/16 competition year. Details below to be confirmed at May General meeting or contact Field Day Officer.

**When** Saturday/Sunday 16/17 May 2015.

**Where** Extended Local.

**Sign on** At the General Meeting or to FDO before Thursday evening.

**Late sign on** Phone the Field Day Organiser. The club will assume you will not be fishing if you haven't signed on at the General meeting or phoned.

**Sign off** If you have signed on then you must sign off in person at the weigh-in place at the nominated time or by phone no later than ½ hour before the weigh-in time.

**FDO** Local FDO to be advised at the May General meeting.

**Fees** \$10 per person, \$12 per family. If you sign on you must pay the Field day fees. Please bring the correct money because there may not be change.

**Lines in** Saturday 12 noon

**Lines out** 7pm Sunday

**Times** Lines in 12 noon Saturday to Lines out 7pm Sunday. Fish caught within those times are eligible for the Club Field Day competition and weigh-in. Fish caught before or after those times are eligible for the Open Competition.

**Weigh-in** 8pm Sunday with location to be set at May General meeting, or the Local Field Day officer may set an alternative or additional location or time by arrangement with the members who have signed on. Scales will also be available on George Holman's back patio. An adult member must witness weights. Field Day money to be left with the scales in an envelope with your name and details written in the carbon copy Field Day book. No money = no points. Results to be phoned to FDO by 8pm the next night.

**Boundaries** Preston Beach to north wall of Two Rocks marina. New members are encouraged to fish with experienced members for guidance and help.

**Fish together** Check at the General Meeting prior to each field day for arrangements and discussions about when and where members can meet to fish together locally in the metropolitan area.

**Tides, sun and moon** See above for details for Fremantle.

## **Fishing together on field days**

The Club encourages members to fish together on Field days, and will help arrange this. However it helps everyone if members who want a lift, want help or want to fish with someone, ask and arrange to go with other members. It's best done early, but can also be done either before or during the sign on or at the previous General meeting or any Club event.

Check at the General meeting for arrangements and discussions about when and where members can meet to fish together locally in the metropolitan area.

## Deadline for Reel Talk articles and reports

The Reel Talk needs to be delivered to members during the week before the first Club event for that month. I try to get the Reel Talk printed on Friday so I can post it on the weekend or the Monday for delivery in the metro area during that week, however public holidays or Australia Post holidays can change that. Can I please have all general articles and reports

For the June Reel Talk, no later than 5 pm Sunday 24 May. Meetings are late in the month but next field day is very early.

For the July Reel Talk, no later than 5 pm Thursday 25 June

For the August Reel Talk, no later than 5 pm Thursday 23 July.

I really appreciate getting articles well **before** the deadline, please. If I have all the regular articles and enough content, I may go to print earlier than the dates shown. **Please note:** These dates and times are deadlines and closing and cut off times, not targets for you to aim to just meet. If your article will be close to the deadline, please make sure you contact me well before or risk missing out.

## New member applications

Applications for membership have been received and will come before the next Committee meeting. If any member has any reason why any of the applications should not be accepted, please contact a Committee member and state the reason.

Lee Yongli

Membership Coordinator, Pat McKeown

## New member acceptances

The following application for membership has been accepted, and will be invited to the next General Meeting to be welcomed into the Club.

None this month

Membership Coordinator, Pat McKeown

## Recorder's report, March 2015

Apart from some extra species recorded as listed later and two members now qualifying for their Species badges with 10 species recorded, and one change to the Field day section (salmon) there are no other updates.

Recorder 2014/15 Terry Fuller

## Update to Species Badge competition

This is a continuous work in progress. The list of species registered to members has been checked for catches on the April Field day as recorded by the FDO in the Field Day spreadsheet, plus some other entries.

A member may ask for a capture to be added by advising the Recorder of the details of a capture already recorded in the Club's fishing Field days or Open competitions. Badges will be presented at the annual Presentation night. The full list of members' recorded catches is on the Club website at <http://www.surfcasters.iinet.net.au/SpeciesCompetitionEntries.pdf>

**Species badge rules, from section 5.1 of Competition Rules, are:**

1. Submit entries to the Recorder on the appropriate form, **unless caught on a Field Day**.
2. Fish may be caught at any time including on Club fishing Field Days.
3. A member must capture ten (10) of the listed species to qualify for a Species badge.
4. Weighing of fish, photographs and witnesses to weight are optional.
5. Fish must be a minimum of 20 cm or comply with Department of Fisheries minimum lengths if these are greater.

### **Dry casting report 29 March 2015**

While there is not much to say about our last drycasting day except that it was very disappointing with only 7 turning up on the day. I realize that a few had been over at the AAA National championships and 1 or 2 were on holidays but even so there were quite a few of the old faces that weren't there.

Let's all put in an effort and make the attendance book look a little healthier next month.

A big thanks to those that did turn up to help with the usual work that has to be done, and also making the day most enjoyable.

All the scores are in the Reel Talk.

The next dry casting on Sunday 3 May is the first casting event for the new 2015/16 Competition year and extra Sportsperson of the Year points apply. Every cast over 120 metres, or 100 metres for Ladies, Juniors and Veterans, receives 1 point.

Cheers

Dry casting Officer Ron Thomas

## April 2015 fishing field day

**Cape to Cape. Overview.** The April 2015 away field day, including the local venue, was spread from Busselton Jetty to the mouth of the Blackwood river at Augusta and was extended at the previous General Meeting to include local Preston. For the local event six members fished Perth local beaches, five members fished Preston and three members fished the Capes.

All venues suffered to varying degrees of rain and wind and local beaches also suffered from weed.

Some quality fish were caught with a total of 8 different species and a total bag weight for all 15 members of 46.5 kg

**The trip. Cape to Cape.** For the away trip, as all anglers had cabins booked a total of 3 members signed on at the Yallingup caravan park, Peet and Sandra Wessels, and Peter Osborne. Harsh weather condition prevailed for the weekend, with medium to strong and gusty wind and rain varying from heavy downpours to showers with odd patches of sunlight continuing through the weekend to give tough fishing conditions.

Compared to a year ago, hardly any other fishers were seen in the south west.

Peet and Sandra did not fish as hard as normal as Sandra's parents were across from South Africa and doing the tourist bit was also on their agenda. They reviewed local areas and fished from Yallingup down to Margaret River with limited success.

Both had bags of herring, with some tarwhine, skippy and Sandra getting a 3.54 kg salmon. Sandra was delighted to see her bag was just a kilo heavier than Peet's.

Despite concentrated effort and looking and trying different locations they could only find the one salmon.

*Peet Wessels with his bag of Skippy*

*Sandra Wessels with her Salmon*

My story goes as follows: Following sign-on, on initially going to the rocks at Wyadup, I concentrated on fishing effort and was immediately rewarded with small, but size western rock blackfish, on my outfit rigged up for salmon. No salmon appeared but herring were thick, destroying a mulie within minutes of cast in. Hence I decided to concentrate on and get my bag of herring.

After about the fourth herring was landed, whack, this was no herring, With my light surf rod, small reel loaded with 12 lb line and a blob with 8 or 10 lb leader, and a no 4 long shank hook, with a pea size piece of prawn - I knew I was in trouble. Taking my time and playing carefully managed to work it up to the rocks. There was a V gap in the rock face wall and with a wave surge managed to get it on the edge of the rocks, scrambled down to retrieve but on grasping the leader, using another wave surge to move it up into the V gap, the leader broke.

Fortunately the wave surge was sufficient to have him sit on the rocks and enabled me to grab a really good salmon of 4.63 kg. Phew very relieved at achieving this capture. Thinking that was going to be the first of many, was disillusioned as it was the only one I caught during the competition.

Small fish were prolific; while only about 1 in 3 were size I continued to add to the bag with herring, tarwhine, skippy, cod, blackfish and a wrasse. About 4pm, I decided to clean the fish and get them on ice and take them back to the car.

On returning to the rock, using my tailor/salmon outfit on the first cast, whack on again. Salmon, no was too strong, took me 5 minutes to work out must be a samson, further consideration, the fight was not right and finally realize I had a large ray on. Worked him to the rocks and then broke him off.

Second cast after releasing the ray, was on again, no mistake this time, was a large shark, 15 kg line with drag tight as possible, it went out to sea and peeled about 250 metres of line in less than a minute. Again deliberately broke it off. But a minute of excitement until I realized I was not going to stop him. In retrospect burley attracts fish, not necessarily the species we want.

Hoping for a tailor, I fished through until dark. Course raining when I decided to walk out. First cleaned fish with hard work carrying fish and gear back up to the vehicle.

Following morning I went to the rocks at Yallingup. Again rain and wind but this position puts the wind behind you. Lots of western rock blackfish, but not many size, some tarwhine and a skippy including one of the latter about 8 cm caught on large hooks and a mulie. I have caught salmon at this place before, but no show for this species. Water here is very shallow. I generally start with a bait casting rig with a mulie and a small bean sinker but as usual after about a dozen cast get hooked up on the reef and had to break off. I then switched and used a large float with a mulie under. Works but a lot of bites (a downer on the float) however, as wind creates slack line this results in a lot of missed strikes.

As we agreed with all Cape to Cape participants we changed the weigh-in to Yallingup on Sunday morning and completed this by 11:15 am.

**Preston. Summary only.** See separate reports from the following participants that fished this beach.

While some wind and rain was encountered, conditions were not as severe as the Capes and while at Floreat, weed was not present.

The team of Gary Parkinson, Glen Wong, Peter Butland, Ken Howells, Mark Nurse, went down to Preston on Friday.

On fishing on Friday evening and Saturday morning they got into salmon and tailor plus herring. Mark managed a salmon over 5 kg.

Unfortunately over the competition period fish were there but were not as plentiful. The bigger fish captured were of good quality. Gary Parkinson landed a good tailor of 0.95 kg. but unfortunately dropped a salmon.

*Peter Osborne with his Salmon*

*Mark Nurse with his salmon*

*Peter Butland's tailor*

Peter Butland landed a tailor of 0.82 kg. and a good size salmon of 4.25 kg.,; Ken Howells landed a tailor of 0.69 kg., some herring and a salmon of 3.15 kg.

Mark Nurse landed herring, six tailor with the heaviest being 0.73 kg and two salmon with the heaviest being 3.8kg. Glen Wong managed to miss out on tailor but landed herring and a salmon of 3.7 kg.

*Ken Howells' salmon*

Preston continued to give good capture results and was a good call for giving better opportunity to "local" fisherpersons.

**Local Field day.** For the local members George Holman, Pat McKeown, Dean Stewart, Michael Pisano, Reuben Ball, Lee Yongli, results were not great.

Fishing conditions encountered were wind rain and weed, water was shallow, no close in gutter, strong current from south to north.

Hence no tailor appeared and only a few herring were landed. In summary: atrocious fishing conditions.

Pat reckoned the best part of the evening was getting into his vehicle and getting out of the wind, rain and sand.

Mark Nurse with a shark caught before the Field day

To rub it in, reports said at the following evening (Sunday) salmon appeared on this stretch of beach such that any angler fishing late afternoon, and/or early evening at Floreat had a great time catching salmon.

As with salmon fishing anywhere, the key is being at the right place at the right time. With salmon in the metro area this early we hope to see more of this species at various venues over the next couple of months

Fish capture results, points scored and the top scores, based on the SCAC scoring system, are listed elsewhere in Reel Talk.

## **Field Day top scores for 2014/15**

Total scores calculated automatically by the field day scoring spreadsheet including April Field day and General meeting. Competition Rules section 2.4.5 specifies only the best 11 months out of 12 will count at the end of the competition year. The winners will be announced at the Presentation of Trophies in June 2015, and adjusted scores will be published after that. Names with equal scores are sorted alphabetically.

Name	Points	Rank	Name	Points	Rank	Name	Points	Rank
Peter Osborne	1394.8	1	Theo Van Niekerk	175.7	14	George Belin	33.7	27
Peet Wessels	1157.6	2	Sarah Wignell	173.5	15	Lee Yongli	33	28

## **Work for the Club**

As mentioned several times, I need to reduce the work I am doing for the Club and the reliance the Club has on me. I need to look after my health and well being and do things for myself and family.

Now I do not have my computer turned on or email access on anywhere near as much as before, which was far too much. I now regularly turn off my PC after an hour or two and do not turn it on again until the following day.

In future I plan to work on Club business on no more than a few days per week, and not at night nor on weekends except for obviously very urgent stuff or for my own convenience.

If that means it doesn't all get done or people have to wait for replies to their emails, then I will somehow convince myself to not feel guilty about that.

I too want to get back to the times when things were running smoothly, and my time could be spent on new things for the benefit of Club members, but there are no signs of that yet.

As a result of recent pressures, I advised the Committee at the April meeting I have not yet decided if I will nominate for any Committee positions at the August elections. Until then I will only do things which are essential for me personally to do.

Just because I have done things in the past does not mean I will continue to do those and members should not expect that they will get done.

Some usual contents are not in this May Reel Talk, and there are probably some mistakes and other omissions, and articles may be out of logical order due to not enough time spent on it.

The next biggg jobs are all the preparation for the Presentation night:- finalising the winners lists, preparing, printing and laminating or framing certificates, allocating, labeling, packing and listing the prizes, getting extra prizes, engraving of trophies, articles for Reel Talk, etc. etc. Anyone want to take over?

Reel Talk Editor and doer of too many other jobs, Terry Fuller

## **My 124th Reel Talk**

I thought I would keep count of how many Reel Talks I have produced, just in case....

September 2001 to July 2006 = 59 editions in that stint.

January 2010 to May 2015 = 65 editions in this stint.

Reel Talk Editor, Terry Fuller

## **Win 1 year's free membership of the Club**

The Committee has decided to once again offer free Club membership for one year to the winner of a raffle. This offer is aimed at attracting new members to join the Club.

In the draw to be held at the Presentation night in late June 2015, all members who have been accepted into the club between July 2014 and June 2015 will be in a draw to receive one year's free membership, valued at up to \$120. The free membership will be the same type as they held in 2014/15, that is, single, or family membership, etc.

Reel Talk Editor, Terry Fuller

## **Camper trailer for sale**

Oztrail 9 camper trailer. Comes with slide out kitchen, plenty of storage under bed and on draw bar. Heavy duty suspension with brakes. All new. Easy to set up.

\$5,500 or near offer

0419 907 703 Bob

## **Payments into SCAC bank account.**

Payments to the Club may be made by direct deposit into the Club's bank account. Westpac Bank, BSB 036 059, Account 880334, name Surf Casting and Angling Club of WA General Account. Please make sure your deposit can be identified.

Treasurer, Victor Schilo

## **Please wear your name tag and Club clothing at Club events**

The heading says it all. New members and visitors will be grateful for the name tag and the Club clothing advertises the Club.

If you don't have a name tag, please make one or contact Secretary Eric Parker. Club clothing can be bought from the Social Organiser.

Reel Talk Editor, Terry Fuller

## **Dry casting dates 2015/16**

These are usually on the first Sunday of the month, except Fathers' Day or when the Field day includes the first Sunday due to a long weekend.

This year has three dates which are not the first Sunday of the month for the reasons shown in the notes, and one date which depends on bookings for Yokine Reserve.

3 May 2015	7 June 2015	5 July 2015
2 August 2015	13 September 2015 (Notes 1 & 2)	4 October 2015 (Note 3)
AAAWA State Dry casting	Sunday 25 October 2015	
1 November 2015	29 November 2015 (Note 4)	3 January 2016
7 February 2016	13 March 2016 (Note 1)	3 April 2016

**Note 1.** Field day is on long weekend, or dry casting avoids long weekend.

**Note 2.** September avoids Fathers' Day.

**Note 3.** May not be able to get a booking for Yokine Reserve due to ground maintenance. Alternative date 11 October

**Note 4.** December 6 has been accepted for a Bunnings sausage sizzle. May not be able to get a dry casting booking for Yokine Reserve on 6 December anyway, due to T Ball carnival.

## **General and Committee meeting dates for 2015/16**

General meetings would all be on the standard second Wednesday of the month as shown. Committee meetings would be on Wednesday 1 week later.

13 May 2015	10 June 2015	8 July 2015
12 August 2015	9 September 2015	14 October 2015
11 November 2015	9 December 2015	13 January 2016
10 February 2016	9 March 2016	13 April 2016

Reel Talk Editor, Terry Fuller

## **Fishing field day dates 2015/16**

These are dates decided at the April General meeting. For venues see the minutes of the April General meeting in the May Reel Talk.

16/17 May 2015	LWE 30/31 May / 1 June 2015	11/12 July 2015
15/16 August 2015	LWE 26/27/28 September 2015	17/18 October 2015
14/15 November 2015	12/13 December 2015	16/17 January 2016
13/14 February 2016	Easter 26/27/28 March 2016	16/17 April 2016

## Ray Walker's report

Just to let you all know I am alive and kicking.

I have spent the last two weeks at a camping area called Red Bluff. It is situated on the West Coast naturally, about 140 km north of Carnarvon. 60 km past Quobba station.

The weather has been a bit overcast but it has still been warm, T shirt and shorts weather. We have experienced some storms as well but everything is holding up.

It has a fantastic bay with a white sand beach and is protected from the southerly winds.

The park was just about empty when I arrived but there was a lot of work being done to bring the park up to scratch as this is the beginning of the season for them. Nothing much happens here from November to March.

They have those up market Safari tents which have just been erected again for the new season.

I am perched next to them on the side of Knobs Hill with some fantastic views of the bay. I wake up to these fantastic views every morning!

A lot of the camping areas are right on the beach a few meters from the water but I chose the views. The only facilities supplied to the rest of us is the toilets, the rest we have to supply ourselves.

I stopped at Kalbarri to deliver some videos and books to the fishing club holiday house and catch up with a friend, that trip was uneventfully.

From Kalbarri to Carnarvon I travelled through three thunderstorms and the rain was very heavy.

About 120 km out of Carnarvon I went through a storm and the countryside was awash with water, completely covering the ground. There were also a couple of sections where the road was covered by flowing water so speed was reduced right down. When I arrived at Carnarvon it was completely dry.

I have had a bit of misfortune with the battery in the camper failing, fortunately I have a small generator and that has saved the day.

I have not done a lot of fishing, just enjoying the surrounds and the peace and quiet. I have caught a few tailor fresh for breakfast.

They also have a little shop which opened on Easter. I wondered how they would make enough money with the small amount of people around. I found out the secret; they make a delicious mango smoothie, people were queuing up and waiting for them to be freshly made.

A walk in the morning, hibernate at lunchtime as it gets pretty hot and a swim in the afternoon, nothing too strenuous. 5.30pm is cheese, bickies and a cold drinks on the balcony watching the sun set.

Night time is peace and quiet and the weather cools down a bit, easy to get a good night's sleep once you get used to the pounding seas, bleating goats, bounding kangaroos and scattering land crabs.

Actually since the Easter crowd moved in the wildlife has moved out. There is no phone coverage, internet, paper, TV or radio. The only thing I miss is the radio to keep up with current affairs and the music. I shall have to leave it to PM Abbot to keep a firm hand on the tiller.

This place kills Quobba Station as far as a camping area is concerned, unfortunately they do not have showers.

There are plenty of fishing places along the coast. I spoke to one guy who had balloon out, I am surprised he managed as the winds have been light and fluky.

He goes up regularly and prefers the area to Quobba and Steep Point. They balloon from the beaches in June and July for mackerel, I would like to come back for that, maybe next year.

I have returned to Carnarvon for a couple of days and then I will be off to Coral Bay, first stopping at the Warroora Station as they have a bush camp there.

Drop you a line next time I hit civilisation.

Ray Walker

## **June Field day**

All details to be confirmed at May General meeting.

**When** Saturday/Sunday/Monday 30/31 May, 1 June, long weekend.

**Where** Port Gregory to Kalbarri.

**Boundaries** Port Gregory to north side of Murchison River at Kalbarri. New members are encouraged to fish with experienced members for guidance and help.

## **Social Organiser's report**

Hello fellow club members. Hope this finds you all well.

Those that had a birthday in April, hopefully you all enjoyed that special day.

Jimmy Strong is 93 this birthday. What a milestone. Sadly Jimmy can no longer take part in club activities.

The Wignells had a busy time celebrating their special day.

Kaye Holman was allowed out on the town by herself to do some damage to the credit card. After all that time away from George they went out to a special meal that evening. Most probably Kaye would have celebrated with a cappuccino or two.

The Presentation night preparation is starting to get into gear. Let's have a good turn up to your special night.

On speaking with Mandy our function organiser at the Woodvale Tavern, every effort will be made by them to make it a special night.

Mandy and her staff work very hard to make it an enjoyable night that's why we keep going back there.

Everybody will receive something. You will have to come along to collect that something special.

Tickets will be available at the May General meeting.

Your menu will be in the Reel Talk. Please find it and fill it out before handing to me for submission to the Tavern.

As discussed at an earlier meeting the price will remain the same as last time due to your efforts with the Bunning's fund raiser and Terry Fuller's kind donation.

\$60 per adult, \$20 per child under 12 years of age having a child's meal.

Any food allergies please note and highlight on your menu.

Please return all perpetual Trophies to George or myself as we need to organise cleaning and engraving.

Tight lines and happy fishing

Social Organiser/Membership Coordinator Pat McKeown

## **Tickets for Presentation night, 20 June 2015**

The 2015 Presentation night will be held at the Woodvale Tavern, 143 Trappers Drive, Woodvale, starting at 6:30pm on Saturday 20 June 2015. Please put this date in your diary NOW, and keep this night free of other engagements or other things to do, so you can come to the Presentation night.

Please contact Social Organiser Pat McKeown for tickets or pay the Club Treasurer either in person, by post or by direct credit deposit into the Club's Bank account, remembering to make sure your deposit is clearly identified with your name and what it is for.

Costs have risen, but the Club will use some of the fund raising money to subsidise the ticket prices which will remain at \$60 for an adult, and \$20 for children of 12 years and under having the child's meal.

Please buy tickets and give your choices from the dinner menu as soon as possible.

Social Organiser, Pat McKeown

## **Dinner menu for Presentation Night, 20 June 2015**

## **Members' page**

As discussed in April's Reel Talk, this is your page to post suggestions good or bad. If you feel put out just write it up on this page.

This month we welcome new member Lee Yongli.

Lee fished with us at Floreat during the club competition and landed a couple of nice herring. Well done Lee.

All details of this fishing expedition are in the fishing report.

Please find the attached packing list for fishing trips. As you get older you really do need a reminder. Nothing like getting there and leaving reels at home. Hard to fish with a blank rod.

For members who would like to improve their casting distance let me know and we can organise a day and time to make it happen.

Any members interested in making a weekend trip to Wilbinga let me know. It is definitely four wheel drive country

Wilbinga is just north of Two Rocks and the south side of Moore River. You have to watch the beach it can be very soft and unforgiving if you are not careful.

There are several websites with good information on this location. Just type in Wilbinga and it all happens.

It will be a good experience for novice and experienced drivers.

Think what I need to take to look after myself in case I get into bother with the sand or camping overnight.

Safe fishing and driving

## Kalbarri House for rent

The Club owns a house in Kalbarri which is ideal for a fishing holiday in the area. Access to the famous fishing spots at Wagoe, Lucky Bay, Port Gregory, etc is just a short drive away via the main bitumen road.

The Mallard Street house has easy access to the river, beaches and town. It has two reverse cycle air conditioners to keep you cool in the summer months and warm in winter. It has two bedrooms and will sleep up to eight (max) in 1 queen sized bed and 3 commercial grade 2 level bunks. The bathroom and shower were rebuilt in 2012.

Users need to bring their own linen, blankets and towels, tea towels, etc. It has a high definition LCD television, DVD/VCR, stove, oven, microwave, crockery and cutlery and all cooking utensils, washing machine, food fridge/freezer and an extra chest freezer for bait and fish.

Outside has a built in gas barbecue, a fish cleaning facility and a full width verandah. There is plenty of fenced parking space for cars, trailers and boats behind a gate. Pets may be allowed by prior arrangement but must stay outside the house. Rates are:

Off season	Short term (min 2 nights)	\$100 per night	\$100 bond
On season	Short term (min 2 nights)	\$120 per night	\$100 bond
	Weekly rates	6 times daily rate as above
