CLUB ETIQUETTE AND MEMORANDA

MEETINGS

The monthly General Meeting is usually held on the second Wednesday of each month at 8 pm. All members should endeavour to attend the meeting so as to keep upto date on club matters.

DRYCASTING

Casting is usually conducted on the first Sunday in the month. Here instruction is given to new members and a competition conducted to improve and maintain the standard of our members casting.

FIELD DAYS

These normally follow each General Meeting on the ensuing weekend. Signing on and weigh-in is compulsory and failure to do so may mean the loss of all points for that Field Day.

Entries for Game Fish Badge, Club Records and Open Fishing Competitions must be lodged with Recorder within thirty (30) days of capture.

COMMITTEE MEMBERS

Please notify the Treasurer and Reel Talk Editor of any change of address or phone number.

If for any reason you intend to resign from the club, please send a letter of resignation to the Secretary.

Please assist the Treasurer by paying your subscription within 28 days of the Annual General Meeting. Members may lose their membership if payment is in arrears for 3 consecutive months.

PRESIDENT'S COLUMN

The wheels are starting to turn for our club project for next year: Cape Cuvier. The date is now confirmed (2nd - 9th May '87) and the location also (the Shearers quarters at Quobba Station). The more members that go the cheaper the accommodation so start planning to go at this early date. The time of year should prove very productive from a fish capture point of view. Both standard and super fuel are available as is drinking water. Members may take K.V.A. units and freezers and as the months pass further information will be forthcoming.

Lindsay Harbord, President of the Anglers Association, tendered his apology for not being able to attend last month's meeting through a last minute business commitment and didn't arrive back by plane until later that night. He is looking forward to coming along next meeting to give his talk. He is very committed and has some forthright ideas so listen and ask as many questions as you wish, even if they are a little "hot". Lindsay can handle it!!

In my column last month I made mention of field days and whether having venues on school holidays was viable and said that our last field day at Greenough would provide a guide. We had our longest attendance for a long time (48 signed on) not including the rest of the families, the fish were not as plentiful as we would like but quality and by comparison to other localities on the same week-end was way in front, and above all everyone had a good time. A great club field day.

Our club badges are now available thanks to our Secretary, Eric Parker.

Also we are looking into promoting some more club constitutions as they appear to be as scarce as hens teeth. Owen Wintle is looking after the project.

Our Social Organiser Jim MacDougall has a very pleasant function lined up for the 23rd November at Lee and Nella Clifton's residence. Save the date and roll up and have a good time and shake hands with "Father Christmas"!!

The club will be represented at the State Beach and Rock Championships at Jurien Bay 25th and 26th October. I hope we do well and a full report will be forwarded in next month's Reel Talk.

GEORGE HOLMAN

VISITOR

Helmut Wisersack attended our October General Meeting after talking to some of our club members at the last drycasting day.

SOCIAL

The proposed car rally event to be held on 23rd November '86 has been cancelled.

DONATIONS

A thanks to B. Payne for donating to the club library the fishing book "Great Fishing with Lures".

CUVIER TRIP

Booking arrangements have now been confirmed and the dates booked are 2nd May to 9th May 1987. The Shearer's quarters have been booked where fresh water, showers and sleeping quarters will be available.

Further details regarding the Cuvier trip will be covered at a later date.

MOON PHASES

New Moon	2nd November '86	4.00 pm
First Quarter	9th "	7.10 am
Full Moon	16th "	10.11 pm
Last Quarter	25th "	2.50 am

FIELD DAY TROPHY

Due to the interest sparked by the field day trophies donated for our Greenough field day, we've got a new trophy (a stainless steel vacuum flask) to be won between November '86 and April '87. Anyone and everyone attending these field days is eligible. Winner will be determined by drawing a 'Mystery Bag Weight' out of a hat following the April field day. This bag will range from 0.10Kg to 20Kg and the angler having the bag weight closest to that drawn out of the hat wins. (This includes all field day bags from November '86 to April '87).

FIELD DAY REPORT

VENUE: GREENOUGH, "S" BEND
27th - 29th SEPTEMBER
Long Weekend

1. SEA AND WEATHER CONDITIONS:-

Sea was very dirty and weedy on Saturday, with Big Breakers. Conditions began to improve on Sunday, with clean water on Monday.

2. BEACH CONDITION:-

Beach was good enough to drive on without letting tires down.

Winds: Generally light and easterlies in the morning, with moderate SW winds in the afternoon.

Tides: Seemed to be quite the wrongway around, with high tides (0.9m) at 4 in the morning, and low tides (0.6m) around 3 to 4 in the afternoon.

3. WEEKEND REPORT:-

What a tremendous turnout! A total of 48 people, including Juniors and visitors. It's really great to see so many wives and families along. With all the area and activities, the "S" Bend has to offer, this made a good family field day. Next year we'll have to plan our Sunday barbecue well ahead so everyone can be there. Robbie as usual arranged a lamb on the spit, a Sunday night disco for the kids, and trail rides for those who like horses.

There was not a great many fish caught, but there sure were some quality ones. Graham Reeley took out top bag, with a beaut Mulloway of 7.9Kg. This made it almost impossible to match his bag, although Tony D'Alonzo gave it a good try. The Reeley/Richardson camp caught a nice lot of Mulloway between them, as did the D'Alonzos. Most Mulloway were caught on Sunday morning when the water was still very dirty.

George & Heath also brought in interesting bags, with Heath's bag beating George's by about 2Kg. Well done Heath! Rob Stevens earned the most unusual fish trophy with a 3.9Kg Salmon. This Salmon also puts Rob in the 'field Day' section and earns him his first 'Sportsman of the Year' points. Well done Rob,

(Contd/.....2.)

and welcome to the club.

One of our visitors (Mal White) weighed in a beautiful 5.85Kg Tailor. Quite some Tailor that! Mal can't win a field day section, but he did win a special field day trophy for the heaviest Tailor. You interested in joining a fishing club Mal?

Most of the rest of us had nothing at all with only small bags to weigh-in. Joe kept the honour of the Curulli mob intact with a 6 Kg. bag of fish. Peter Booth fronted up with a Tailor and a Whiting, plus some dark looks and mumbling about a certain John somebody who left the worms home in the freezer. Ric Parker's bunch all weighed fish in, with Basil's soapie being the heaviest bag for them. The Osbornes didn't do too well, but what do you expect when they started the weekend off by driving a tent through one of Robbie's water pipes and flooding the campe at 2 am in the morning? Of course this meant all the loo's were non-flush next morning.

Several of the Cliftons were last seen heading over the sand dunes, spade in one hand, toilet roll in the other (Shades of Steep Point?)

We had some special trophies donated for this field day. All such donations are much appreciated and help to add a bit of extra incentive and interest to field days.

Trophy for heaviest junior bag: a fishing knife, a club trophy won by Heath Holman.

Trophy for the heaviest Mulloway: Fish pliers, donated by George Holman, won by Graham Reeley.

Trophy for the heaviest Tailor: a spool of fishing line, a club trophy, won by Mal White (visitor).

Trophy for most unusual fish: a spool of fishing line, a club trophy, won by Rob Stevens with his 3.9Kg Salmon.

Thanks also to the assistant F.D.O. (Ian) who has loaned us a tripod for our scales. This sure makes the weigh-ins much easier. Maybe the club could look at purchasing the materials and having one of our talented members (Ric? Jan? Sid?) knock one up for the club.

(Contd/.....3.)

Apologies to those whose names have slipped off the last few field day reports - i.e. Rottnest included Ric Parker, Tony Richardson, John Reeley and Alan Stephenson. The July Open included Peter Osborne (5.5Kg.), Philomena D'Alonzo (5.3Kg.), Sharon Osborne (3.7Kg.), Ric Parker (2.7Kg.), Heath (.35Kg.) and Donna Holman (.5Kg.). All the Cuvier names missed the Reel Talk but everyone received the right field day points and percentages.

Summer is coming so we can all look forward to having a few more fish in our bags. See you at Wedge.

TIGHT LINES.

F.D.O.
