KALBARRI HOUSE:

Busy Bee Report w/e 8/9/10th Sept.

Most of the party travelled up Friday afternoon arriving at the house in time to fix the bathroom cupboard on the wall of the bathroom before hitting the sack.

Saturday saw us up early and into it!!! The existing steps had to come up but they proved to be a bit stronger than we thought and needed a fair bit of work with the crowbar to shift them.

About this time the rest of the party arrived- Kit & Keith Wilkerson - just in time for them to organise some breakfast for us. After breakfast everybody pitched in- the men on the verandah and Kit got stuck into the weeding and cleared all the front of the house. By 3 p.m. we were finished ready for the painting. All the debris was piled on the truck and carted off to the tip.

That left the deck clear for a spot of angling and by 4.30 we were into the tailor down at the cutting (all except Ken Jones who forgot his fishing gear!)

Darryl was the first to land a fish and soon everybody was on the tailor, we ended up with about 3 dozen. Bob Frederick's had to go one better of course and landed a 26 $\frac{1}{2}$ lb Mulloway!

Rain closed in about 6.30. Darryl had only shorts and tee shirt and got soaked, so it was back for a hot shower and dinner.

We christened the new verandah by setting up Stan's gas BBQ on it to cook the pile of meat and sausages that were produced from various ice boxes.

While we were away Kit had cleaned up the house and set up salads etc ready for us. Darryl put on a turn as chef and very soon the lot was cooked-eaten, and washed down!!

It had been a long day so us 5 fellas piled into the bunk room leaving the honeymoon suite to Keith and Kit.

Sunday morning saw our painter quick off the mark with the brush putting the final coats on the gutters and floor with some help from Stan on the back steps and plenty of advice from everybody else!

We breakfasted on tailor fillets and crumpets and hit the road for home about 9.30.

A great weekend, thoroughly enjoyed by everybody.

Work done:

- (1) fitted a bathroom cupboard
- (2) built front verandah 14ft x 7ft (timber floor and metal roof)
- (3) fitted front door with fly wire door
- (4) repaired damaged sewer pipe
- (5) fitted handrail to back steps
- (6) Set bollards to keep cars off septic tank
- (7) weeded the front garden

Working party were (alphabetical order):

Ron Flynn (donated roof materials)

Bob Fredericks (donated paint and use of airless spray)

Ken Jones (drew plans and got building permit)

Stan Renshaw (organised the whole show and made cupboard with help from
(Brian Cusack)

Darryl Retallack (donated all the timber and carted all the gear up)

Keith Wilkerson (donated the pipe cols and carted them up)

Kit wilkerson (made lots of coffee and kept everybody in order)

JURIEN BAY FIELD DAY:

Seeing Friday was such a rough day Ron and his family decided to leave Saturday morning at 9.30. Arriving at sign on, 12.30. Where we found the following members already waiting, Eric Langdon and Georg Vanderklau. They had some good news. Ric & Brian Rowlands and John Reeley were in at North Head, had been since Friday night and had fished Sat. morning with some good results. John had a nice size Samson fish to weigh for the Open Section.

Ric Rowlands and Eric had also, been busy, both had runs and were broken up.

By this time most of the boys had arrived.

We had 30 seniors, 1 lady, 4 juniors. Some members asked at the meeting if it was ok to sign on when we got out on Sat. to save traffic on the track, which was agreed.

So it was into North Head and up with the camp.

About this time John Reeley showed, hugging a great Samson fish nearly as big as himself, but, having only the 15 kg scales, we weighed it in three pieces. Total weight 21.85 a very nice fish.

After a "barbie" lunch we had a look around for a spot to fish, which turned out to be hard to find as the tide was well out, and wasn't due to change until 8.30 Sunday morning.

So, Saturday fishing was a flop. The same result next morning, some big Buff Bream (which we returned to the water). Len's were bigger than mine. Ron had a total 1 Rock Cod. I had 1 herring, but we tried.

It was then a quick pack up and back to the weigh in.

Arriving at the weigh in we had some starters waiting.

Phil started the ball rolling with some tailor and snook. Next Alby and Craig with tailor (not much). Then Tony's mob. Barry, Graeme, Andy. They had some Buff Bream and cod, the buff's were good enough to take the biggest fish, which Barry took home for his cats. Other than that, there were nothing.

So that was it, down came the scales and the boys moved off.

We, were still down quite a few tags, with members still to come in and no time left to weigh in.

So remember, if you have fish, make sure you give yourself plenty of time to make the weigh in. George missed out, with a nice samson fish.

See you all on the long weekend.

Stan and Ron.

DON'T FORGET PICNIC... 22ND OCTOBER

SEPTEMBER DRYCASTING:

September saw our lowest attendance this season with a total of 31 casters participating, but what with Father's Day, and a few away for the school holidays, still a good roll up.

Phil Isbister was firing well, scored a bull in S.H. Accuracy. As Phil said "Took ten years to accomplice". Was second place in D.H. accuracy with a total of 53 points. All of this was possibly due to the expert coaching and urging he received from one of our top casters! Nevertheless, good casting Phil, keep it up. Tony Richardson still improving, finished fourth over all, with a total of 106 points. Slowly getting back to top form. Peter Conroy took honours in S.H. accuracy with 25 points and finished the day with a total of 103, good results Peter. Dennis Green once again took honours in the D.H. accuracy- this is becoming a habit, with a total of 127 points to run out winner with 24 and finished the day with a total of 127 points to run out winner by 19 points. Dennis is now 64 points in front of his nearest opponent and is at this stage proving too good for us. Congratulations Dennis.

Ron Flynn and son Mark came down to have a bash, with Ron setting out to beat yours truly, nearly succeeded too- except your S.H. accuracy let you down Ron. Have some practice and we will have 20 cents on the side. Never know, you could get lucky. Young Mark's score doesn't reflect his ability. Given the right rod and some coaching I feel sure he would become a good caster. Bob Brown started off well but broke down in the accuracy events, but he wasn't the only one, better luck next time Bob.

As you can see by the final results, the casting was keen with only 6 points separating 8 casters.

Craig Norman won the Junior event with a total of 67. Craig is now casting very well and is going to be hard to beat this year. Congratulations to you Craig for a fine effort. Good to see Jo-Anne Tomsitt casting again after the operation on her knee. It wasn't one of her best days, but good enough to beat Mum.

Congratulations also to our Senior and Junior teams who won their events in the State Team Championships, to win both titles is certainly an achievement for our Club and reflects the keenness of our casters. To each and every one of you, once again, our most sincere congratulations.

Well, that about wraps it up, except for a cheerio we would like to send to Jim Oxley and Mike Dawson. Hope you are both well. Come down one Sunday and have a chat.

See you all next cast, Floreat Oval, 1st October. Usual events, plus novelty cast. 'Till then, Cheers!

Keith & Brian
