

about the club

The Surf Casting and Angling Club of WA (Inc.) was formed in 1952 and is one of the oldest existing fishing clubs in Western Australia. The club has produced many State and National champions in all categories of competition. Experienced Club members welcome the opportunity to coach novices in the sport and increase the skills of fellow members.

Our charter is to promote fishing, dry casting, competition, fun and fellowship, and to compete in both club and State competitions. Families are encouraged to participate in all club events.

Fishing competitions have sections for Seniors, Women, Juniors (12-16 years), and Mini Juniors (under 12 years). We actively promote and encourage responsible fishing and "Catch and Release".

Dry casting competitions have sections for Juniors, Mini Juniors, Seniors, Veterans (55 years and over) and Women.

Each month a different venue is selected for the weekend fishing field day. This offers the opportunity to learn about new fishing locations, some, but not all of which are only accessible by four wheel drive vehicles. Shared vehicles can be organized for fishing trips, especially where four wheel drive vehicles are required. This allows those without four wheel drive vehicles to participate in the excitement of the fishing.

Club activities

Dry Casting - instruction and competition in casting on an oval is usually conducted on the first Sunday morning of each month. It is an important activity in the development of casting skills used when fishing anywhere.

General Meetings - are held on the second Wednesday of each month. An instruction period covers a wide range of subjects including rigs, fishing techniques, preparations for the next fishing trip, tackle, etc.

Fishing Field Days - are usually held on the weekend following the general meeting. Locations range from Kalbarri in the north to Bremer Bay on the south coast and includes Rottnest, plus points in between. Usually the field days further from Perth are held over a long weekend. A local field day is held each month for members who are unable to attend the trip away.

Safari - The club has fishing "Safaris" of about one week to ten days' duration, usually a good distance from Perth. Members on these trips learn a great deal and develop their fishing skills.

Social Events - the club conducts social activities during the year, culminating in June with the annual dinner and trophy presentation night.

Club members at Dry Casting

benefits

The Club owns a holiday house at Kalbarri and this is available to members, their families and friends at reasonable rates.

Learn where, when and how to fish.

Lots of "how to" tips from Club members.

Competing in State Events, both fishing and dry casting.

Receive the monthly Club magazine "Reel Talk"

An Invitation

If you wish to improve your casting skills, fishing techniques, enjoy social activities and seek the company of happy but serious minded fisher persons, then the Surf Casting and Angling Club is the organization for you.

When you join us at SCAC you will be helped by experienced members, particularly on casting and fishing field days.

Come and join us at our monthly meetings, dry casting mornings and/or fishing field trips. We are sure you will enjoy being a member.

**Make the decision
and join in the fun**
